

## Chapter: 2134

Hearing this voice, Lin Ziming knew immediately that it was Ning Yuning. She really came.

And, needless to say, this must be Chu Fei's idea, otherwise, with Ning Yuning's character, she would definitely not be so bold.

Soon, the sound of footsteps reached the door, and Lin Ziming heard Ning Yuning put her hand on the doorknob, and wanted to open the door, but he didn't dare to open the door. He was a little nervous and hesitant.

To be honest, Lin Ziming felt helpless at this moment.

Ning Yuning stayed at the door for a full minute, but still did not dare to open the door, and her breathing became very tight.

Finally, as if she had made up her mind, she finally decided to open the door. There was a soft sound, and then there was a dim light from the corridor, shining in, accompanied by a graceful figure, who else besides Ning Yuning? Lin Ziming was lying on the bed, even if he didn't open his eyes, he could still know what Ning Yuning looked like now, that kind of nervous and complicated mood.

After she came in, she closed it gently, her heartbeat was very fast, and she thumped.

Then she slowly walked in front of Lin Ziming, using the dim light to look at Lin Ziming, very nervous.

Suddenly, Lin Ziming opened his eyes and said, "Chu Fei let you in."

He suddenly spoke, and Ning Yuning was taken aback, and he let out a soft cry.

"You, aren't you asleep?" Ning Yuning patted her chest, and said in shock.

Lin Ziming rolled his eyes angrily and said, "Your actions are so obvious tonight, can I fall asleep? Okay, let's go back."

Ning Yuning bit her lip and did not move away. Instead, she stared at Lin Ziming. He was very nervous at first, but because Lin Ziming woke up, after she reacted, she was not nervous anymore. It's the same. .

"Don't you like me at all?" Ning Yuning said.

Lin Ziming didn't give her an immediate answer. Instead, he thought about it and said, "The development between us is too fast."

Ning Yuning shook her head and said, "I don't feel fast. If you really hate me, I will leave."

After she said this, her expression looked calm, but her tone and eyes betrayed her.

Lin Ziming sighed again in his heart, now he really doesn't know how to deal with emotional problems.

It is absolutely impossible to say that you hate Ning Yuning, but if you fall in love with Ning Yuning, it is far from it. After all, he and Ning Yu have nothing unforgettable.

He has never been an abusive man.

“I don’t hate you.”

“Then why are you rejecting me?”

Lin Ziming rubbed his swollen temples and said with a wry smile, “Because I don’t want to get up and down, you can’t stand me.”

These words made Ning Yuning stunned, “Can’t stand you? What do you mean?”

Lin Ziming rolled his eyes and said, “You talked so much with Chu Fei and Sanniang today, didn’t they tell you this?”
