

Chapter: 2135

At this moment, Ning Yuning immediately understood, and his face suddenly became flushed, extremely shy!

She still doesn't understand. In fact, although she is a virgin and has no personnel, she is not a blank piece of paper. Naturally, she knows what Lin Ziming's words mean!

As a result, the atmosphere fell into a weird silence, until Lin Ziming said again: "Go back, you can't bear it now."

Ning Yu gritted her teeth dignifiedly. She didn't back up. Instead, she walked over, sat on Lin Ziming's bed, and said, "I'm not afraid. I always have to take this step. I am ready now!"

Lin Ziming: "....."

He was very depressed. Ning Yuning didn't know what he was facing, let alone an ordinary person, even Chu Fei and Tao Sanniang were not his opponents.

But he also knew that if he didn't take any action, Ning Yuning would definitely not retreat. So he hugged Ning Yuning directly, pressed Ning Yuning under his body, and acted like a pervert. Look like.

Sure enough, this scared Ning Yuning and shrank into a ball, "You, don't do this..."

"Didn't you say that you are ready? Why are you afraid now?" Lin Ziming's tone was somewhat mocking.

Ning Yuning was a little stuttered. Now Lin Ziming's performance is a bit beyond her imagination, making her subconsciously afraid, "I, I'm a little scared."

Lin Ziming pretended to be unhappy, "Are you entertaining me?"

"I, I didn't mean that..."

In the end, Lin Ziming made an appearance of 'beast-like hair' again, and once again frightened Ning Yuning.

And Lin Ziming also didn't have any fake dramas to actually do, so he would accept it as soon as he saw it, and let Ning Yuning go.

Ning Yuning was obviously frightened. She didn't dare to stay here anymore. What happened tonight was different from what she had imagined.

Lin Ziming's performance just now was a bit too scary...

After Ning Yuning escaped and left the room, Lin Ziming breathed a sigh of relief. In order to maintain his innocence, Lin Ziming was also able to fight.

After shaking his head, Lin Ziming stopped thinking about it and went to sleep.

He didn't use his own consciousness to inquire about Chu Fei's situation, otherwise he must have noticed that Chu Fei's situation is not right now, she is having nightmares, and Tao Sanniang is guarding Chu with worry and sympathy on her face. Fei's side.

Now Chu Fei closed her eyes, she seemed to be asleep, but her brows were furrowed, her expression was painful, and her face was even pale. She seemed to be experiencing a pain, and she kept saying something in her mouth. People are particularly struggling and uncomfortable.

And Tao Sanniang held her hand tightly, trying to give her strength, but she did not dare to make a sound, for fear that she would wake up Chu Fei.

In fact, this situation did not happen to Chu Fei for the first time, but happened many times.

It happened once a month before, and then it happened half a month, one week, three days, and now it happens once every other day, more and more frequently!

So this is the fundamental reason why Chu Fei is unwilling to sleep with Lin Ziming. If he sleeps with Lin Ziming, then Lin Ziming must know!

She didn't want Lin Ziming to know, because if he let Lin Ziming know, it would harm Lin Ziming...

Now only Tao Sanniang knew about it, other than that, even his parents didn't know.

At first, Chu Fei didn't care too much, thinking it was just a simple nightmare, but as the number of times increased, the dream became clearer, and the memory in her mind became more and more stimulated. She knew that this was not a nightmare, and It's true.

She gradually remembered her identity, she was not Chu Fei...
