

Chapter: 2136

To be precise, it should be that her true life was not Chu Fei, nor was it Chu Huaxiong and Liu Suhong's biological daughter.

She was adopted by Chu Huaxiong and Liu Suhong. It's just that even Chu Huaxiong and Liu Suhong didn't know the secret!

The memories of Chu Huaxiong and Liu Suhong have been transformed!
In a dream.

She has been running, and there are many people chasing her behind. The originally dense fog gradually disperses, making the entire blurred scene gradually become clear.

"Ryuer, my good daughter, why do you keep escaping from being a father? You have recovered your memory. You know that you are not from the world, so why are you not being a father?"

In Chu Fei's mind, there was quite a middle-aged man's voice. This voice was full of majesty and shocking. It was not a voice that mortals could make. Listening to this voice, it seemed to come from the sky. It is the sound that a god can make.

Such a voice, Chu Fei had heard a lot these days, and it was also the voice she feared and rejected the most.

"I am not Long'er, I am not your daughter! Don't pester me!!" Chu Fei made a roar in her spiritual world.

"Long Er, why are you doing this?"

"Ryuer, come back. Father will compensate you for everything you have vacated over the years."

"Long Er, your life is noble and you are not part of the world. Now you have been recalled for your father. It's time to come back, it's time to come back..."

Chu Fei roared again: "Get out! Get out of here! I'm having a good time here, don't come to pester me!"

"I won't go back, and I don't want to go back, I live fast here!"

"Please, let me go, I have my parents who love me, and a husband who loves me so much. I live happily..."

However, after she said this, the vague figure chasing her behind her was furious, "What?! You were actually tainted by a damn mortal, who is it? Who is so bold and presumptuous! This seat is going to be killed. he!!!"

These words were too lethal, making Chu Fei even more painful and uncomfortable. Finally, she vomited a mouthful of blood and finally broke free from the dream.

And her appearance really shocked Tao Sanniang. She hugged her and found her body trembling fiercely. The whole person was particularly frightened and panicked, "Something is wrong, Feifei, There is something wrong..."

Chu Fei's body was still shaking very badly, and even her lips were bloody. The pupils were full of panic and despair.

When she finally woke up, she heard the man's voice, "You can't escape, I will find you for my father sooner or later!"

This frightened her very much. She held Tao Sanniang's hand tightly and said: "He is coming, he is coming!"

Chu Fei grasped too hard, and it hurt Tao Sanniang to grasp Tao Sanniang, but Tao Sanniang didn't even frown. Seeing Chu Fei the way she was now, she only felt extremely distressed and sympathetic.

"Who is coming?"

Tao Sanniang asked.
