

Chapter: 2147

Huangpu Dao thought of this too. He looked at Lin Ziming, with some emotion in his eyes, and said, “Ziming, speaking of it, you are the best talent in martial arts in this era. I remember seeing it for the first time. When you were at your time, you were only in a congenital realm. It hasn’t been much time before you have grown to this level. Even Adam is not your opponent. If you didn’t see it with your own eyes, you really can’t believe it.”

Lin Ziming smiled, and there were some memories in his eyes. Indeed, his progress over the past few years has been too fast, just like riding on the Rockets, leaving his peers far behind!

“The main thing is opportunity. When I was in the acquired realm, I swallowed a top quality pill, and in the fourth stage of the innate realm, I swallowed a spiritual fruit of heaven and earth, and then completed the consummation in the innate realm and condensed the Chinese nation. It’s too many coincidences that allowed me to reach the realm where I am today.” Lin Ziming said with emotion. Indeed, he had too many adventures in his body. Otherwise, it would be absolutely impossible for him to be so violent in his normal cultivation. !

However, Huangpudao shook his head and did not agree with his statement, saying: “The main reason lies in you, not the adventure. There are so many talents in China, and many people have no worse opportunities than you, but they are not as good as you. Quickly, mainly because their talent and love for martial arts are not as pure as you. Take my junior, his opportunities are not less than you, but he will not reach your realm.”

Speaking of this, suddenly, Huangpudao’s eyes flashed with surprise, and then smiled, and said: “As soon as you talk about Cao Cao, Cao Cao will be there, and my junior brother is here.”

Lin Ziming’s ears moved, and he was not surprised at all, because he also heard it just now. The young man he saw at the airport today appeared nearby and rushed towards them.

“Senior Huangpu, your junior is terrible, your aura is extremely powerful.”

Lin Ziming praised.

Huangpu Dao shook his head and said, “It’s nothing in front of you.”

The voice fell, and there was an additional young man in the yard.

I saw a long and wide epee hanging on the back of this young man, the sword body was black, as if any light shining through it would be absorbed, and it looked very heavy!

Lin Ziming knew at a glance that this heavy sword must be very heavy and extremely tough, capable of cutting everything in the world.

Moreover, this young man’s breath is also very strong, his eyebrows exuding strong confidence, he has the look of sword eyebrows and stars, especially his pair of eyebrows, which look like two swords, full of vigor.

If you stare at him for a long time, you will even be hurt by his sword intent, this is a very pure young man.

Lin Ziming was also the most powerful young man who had ever seen him. It is no exaggeration to say that if he changed half a year ago, he would probably not be his opponent.

“Brother, I’m out of the mountain.”

After this young man appeared, he first nodded and greeted Huangpu Road, showing some respect for Huangpu Road.

Huangpudao nodded and said: “Junior Brother, your cultivation level has improved a lot, yes, this time you go down the mountain, I’m afraid you are going to the secret realm.”

The young man said lightly: “Well, my cultivation base has reached a bottleneck. It just happens that the time for the secret realm to open has arrived. I want to go there again. This time I will definitely break through to the God-passing realm. When that happens, I will go to the beautiful Kingdom, kill Adam.”

When he said this, his tone was very flat, but in his expression, he revealed a powerful murderous aura, which caused the temperature of the scene to drop a lot, which made people shudder.
