

Chapter: 2154

To be honest, Lin Ziming finally came back. He was still very uncomfortable when he was treated like this, but he could also see that Luo Tian organization had been invaded by the Eastern faction, and now Jian Rushuang, they are all injured. , So he didn't bother to be familiar with them. So he said in a deep voice: "Jian Rushuang, I don't know about the invasion of the sect by the Eastern Sect, so you don't have to cast your anger on me! Now I'm back, I'm going to see Lord Saint King, no matter what. Said, I am all the Southern Territory King of the sect, and you are not qualified to stop me from returning to the sect."

Lin Ziming's remarks were already very polite, anyway, he was the Southern Territory Heavenly King, and Jian Rushuang was at the same level, only under the Holy King.

However, after Jian Rushuang heard his words, his reaction became even greater. He laughed loudly, as if he had heard the funniest joke in the world, and laughed so much that tears came out, "Hahaha , The Southern Territory King? Lin Ziming, you hypocrite, you despicable villain, still have the face to say that you are the Southern Territory King? If it weren't for you, would we Luo Tianpai be reduced to today!"

When Lin Ziming heard these words, he was immediately unhappy. According to Jian Rushuang's statement, he still killed the Luo Tian faction! So he also confronted Jian Rushuang with his eyes fiercely staring at Jian Rushuang, a powerful aura emanating from his body, pressing on Jian Rushuang's body, and said coldly: "Sword Rushuang! You! What is the meaning of the words, please explain clearly to me! I admit that I, the Southern Territory King, did not meet the requirements. I have never come back for a long time, and I have never come back when the sect needs it. But, you don't want to pour dirty water on me. Come!!!"

When he said this sentence, the pressure was so great that Jian Rushuang was almost out of breath, his face paled suddenly, he took two steps back, gasping for breath, and looked at Lin Ziming's eyes again. There has been a change.

In his opinion, Lin Ziming is no longer the strong man between the innate realm of Great Perfection and his uncle, but has transformed into a super demon king.

At this moment, the aura exuding from Lin Ziming's body is not much worse than that of His Royal Highness the Holy King!

Could it be said that Lin Ziming has already broken through to the realm of Communism? !

Not only Jian Rushuang, but like several other powerful men, they also felt the aura and majesty that Lin Ziming exudes at this moment. They were really taken aback. Just now, they felt that the sky had collapsed. It's

terrifying.

Lin Ziming was able to stop, and he did not continue to coerce them. He quickly recovered his aura and continued: “Sword Rushuang, I have not returned to the sect during this time. I don’t know that something major has happened to the sect, but, I’m back now, so I will definitely not sit idly by.” Because his aura was taken back, Jian Rushuang and the others were able to breathe.

Jian Rushuang did not fear Lin Ziming because of this. Instead, his hatred for Lin Ziming became more profound, and he cursed directly, “Go! We Luo Tian faction does not need a hypocrite like you. Give me something. Roll as far as you can!”

In addition to Jian Rushuang, several other powerhouses also confronted Lin Ziming together, “Get out! Get out of the Luo Tian faction!!”

Lin Ziming frowned even more deeply. He always felt that this matter was probably not as simple as what he saw on the surface.

Otherwise, according to normal logic, even if he did not come back to fight side by side when the Luo Tian faction was in the most distress, Jian Rushuang and the others have complaints that are understandable, but they shouldn’t be so hostile to him, or even hate him. .

He has never been a reckless man, took a deep breath, calmed down, and said calmly: “Sword Rushuang, is there any misunderstanding in this?”

“Misunderstanding?” Jian Rushuang sneered, and said disdainfully: “Lin Ziming, you don’t have to pretend to be anymore. This is not a misunderstanding at all. You are a traitor to the Luo Tian faction! You betrayed the sect! I admit that you are now The wings are hard. Except for the Holy King, none of us is your opponent! But you don’t need to worry, a beast like you will not die sooner or later!!!”
