A LIFE UPSIDE DOWN

Chapter: 2158

Now that Luo Tian dispatched an accident, he couldn't stand by indifferently no matter what.

Next, chatting with his mother for a while, knowing that the neon clothes were all right, he relaxed completely.

In any case, the people he cares about most in Luo Tianpai are his mother and neon clothes. Since both of them have nothing to do, they are still very good.

After hanging up the phone, Lin Ziming took a deep breath, then strode back to the door of Luo Tianpai, and said loudly: "Sword Rushuang! Let me go in, I want to see the Holy King"

His voice was loud, full of strength and penetrating power, and his voice was clearly transmitted into the Luo Tianpai, which was heard by many people.

After a while, Jian Rushuang appeared again.

Moreover, not just him, there are many, many strong people who also appear together

The expressions they looked at Lin Ziming were full of unkindness and hostility, as if they were treating Lin Ziming as a traitor.

If I had changed to a normal person, I would have been so scared in such a situation.

After Lin Ziming called his mother, Qin Huayue, he knew the ins and outs of the matter. Facing Jian Rushuang and their misunderstanding and hostility, he didn't feel angry anymore, because he could understand their feelings.

He wanted to resolve the misunderstanding this time.

"Lin Ziming! Are you provoking us! Do you really think that if your wings are hard, you can do whatever you want in front of us and wantonly humiliate us?!" Jian Rushuang said this, his eyes full of anger and hostility, He originally had a good feeling for Lin Ziming and was hostile. After experiencing this incident, his hatred for Lin Ziming reached a maximum. If it hadn't been for him to beat Lin Ziming, then he would have taken action long ago. Take Lin Ziming down!

Lin Ziming looked at them with a calm expression, and said in a friendly manner: "I just talked to my mother on the phone and learned the ins and outs of the matter. You have been tricked by the East. I have no contact with them at all, and it is even more impossible to interact with them. I was embarrassed to deal with the sect. When I came back this time, I was fighting with the sect."

Hearing his words, many people present were shaken. Could it be that I

really misunderstood Lin Ziming?

But Jian Rushuang snorted heavily, and said, “A clever tongue! Lin Ziming, you traitor, you act like a fool, but do you treat us as fools! So many of us saw it that day,” You and the Dongpai video, that voice, that way, is exactly you!”

The others were a little shaken, but after hearing Jian Rushuang’s words, they became firm again.

Staring at Lin Ziming, at the same time they are ready to go. As long as Jian Rushuang gives an order, they will swarm up and take down Lin Ziming, the traitor!

Lin Ziming frowned, and patiently explained: “Sword Rushuang, I know you are hostile to me, but I can swear to God, I absolutely have no betrayal of the sect! Those are all Eastern villains who slander me. of!”

“What evidence do you have to prove that you are innocent?” Jian Rushuang stared at him firmly, without giving up.

Lin Ziming said: “I don’t know the Eastern Sect at all. Besides, why should I betray the sect? I am the Southern Territory King appointed by the holy king. My mother is still staying at the sect. I betrayed the sect. Are you fools?”

However, as he finished this sentence, Jian Rushuang and their hostility to him became even greater, and Jian Rushuang roared: “Your mother left the sect long before the Eastern faction attacked! Lin Ziming! , What else do you have to say! If you have not betrayed the sect, why should you transfer Qin Huayue out!”
