

## Chapter: 2160

Jian Rushuang immediately felt the weight of his long sword disappear. At the same time, he also saw the situation in front of him where his long sword was broken by Lin Ziming, and pieces were broken.

In an instant, his eyes widened, and he looked dumbfounded, completely unbelievable.

For a moment, he was too shocked. His mind entered a blank period, and he forgot to continue to attack Lin Ziming, and he was stunned.

This long sword has accompanied him for many years. It is his comrade-in-arms and his magic weapon to control the enemy.

He named Jian Rushuang because all his cultivation skills are based on swordsmanship. This is his pride and everything he has.

Originally, when he faced Lin Ziming, when he used this 'Rushuang' sword, he was full of confidence.

But the facts that happened now can be said to have slapped him in the face so much that he was completely stunned. He couldn't recover for a while. He couldn't believe that what was in front of him was true. He kept talking. He read: "Impossible, this is impossible..."

He knew better than anyone, how tough the 'Rushuang' sword was. After thousands of trials and hard work, how could it be possible that Lin Ziming would break with a single flick! ?

In fact, not only him, but many people present also opened their eyes wide and looked like hell.

They knew that Lin Ziming was very powerful. After all, Lin Ziming was very popular during this time. He was on the list of immortals, and he went to the beautiful country to show off his prestige.

However, they have not seen Lin Ziming's move with their own eyes, and they still don't have a clear understanding of Lin Ziming's strength. Before that, they all believed that the sword Rushuang sacrificed the Rushuang sword, even if it could not beat Lin Ziming. At least it can drag on for a while, when they rush forward, they will definitely be able to win Lin Ziming.

But now, Lin Ziming's strength can be said to be far beyond their imagination.

Lin Ziming broke Sword Rushuang's sword with a finger. He didn't have any surprises himself. After all, he still knew his strength very well.

Moreover, he had just found the fragility of Rushuang Sword, otherwise, no matter how much he exerted, it would be impossible to break Rushuang Sword.

Even so, he felt pain in his fingers and was shocked.

He did not take advantage of the victory, but stopped, stood with his hand, proudly facing everyone, and said in a deep voice: "You are calm, I am

really not a traitor, if I am a traitor, there are still people who come back to act. Is it necessary? I'm going in to see the Holy King now, don't stop me."

In the face of Lin Ziming's words, they dare not act rashly now. Although they have surrounded Lin Ziming, they are not dared to make a move easily. The strength that Lin Ziming has shown just now is really terrifying.

They had an intuition that even if they were together, they might not be Lin Ziming's opponent.

They also couldn't understand why Lin Ziming became so powerful, this is totally unscientific!

After a while, Jian Rushuang finally recovered. He raised his head and stared directly at Lin Ziming, and said, "What realm are you?!"

Lin Ziming said faintly: "Half a step to reach the realm of God."

"Impossible!" Jian Rushuang immediately denied, and his reaction was very excited, "Half-step to pass the gods, it is impossible to have such strength! Are you already in the gods?!"

Divine Realm...

When everyone heard Jian Rushuang's words, they all gasped.

The weight of the three words Tongshen Realm is too heavy. It can be said that after the Tongshen Realm, it enters another level, and it is not a concept with them.

But immediately, Jian Rushuang shook his head again and said: "Impossible, impossible! You are less than thirty-five years old, it is impossible to be in the realm of the gods... But why do you have such a terrifying strength? Who are you, who are you?!"

Jian Rushuang stared at Lin Ziming, his eyes filled with panic. It seemed that Lin Ziming was not a person, but a monster.
