

Chapter: 2168

“How is it, he is not strong enough to test it out?”

After the fat man finished eating the pig's legs, he patted his butt, and seemed to walk to another place naturally, and walked in front of a tall thin man, and the other party asked in a deep voice.

The fat man now had the simple and honest look on his face and became shrewd. He shook his head and said, “It is unfathomable. It seems that the rumors from the outside world are not fake. This Lin Ziming is really not easy.”

The thin man snorted and said, “I might have made it out of speculation! He has investigated his information and he is in his early thirties this year. No matter how talented he is, where can he go? And, I've seen him in the video of the Kung Fu Cup, the strength is just like that.”

The fat man said: “It's hard to say, when he was angry just now, it gave me a lot of pressure. If I played against him, it might not be his opponent.”

The thin man said, “What if we shoot together? He can still beat our team? Huh.”

“That's...” The fat man nodded, his expression relaxed a lot. Just now he was sitting next to Lin Ziming, always feeling very uncomfortable, there was a kind of invisible pressure, but he didn't have any of this matter. Speaking of it, he also thinks that even if Lin Ziming is more powerful, he and Thinzi will make a shot together, Lin Ziming cannot be their opponent.

“This Lin Ziming has been very popular recently. When I enter the secret realm, I believe that many people will trouble him. I heard that Adam's junior is also here.” The thin man said gloomily, “Adam This junior is also a super genius. As early as ten years ago, he was already a half-step master of the divine realm. He has resisted not breaking through, just to go to the secret realm this time, pick the fruit, and break through to the realm in one fell swoop. Divine Realm.”

The fat man also nodded and said, “Hey, yes, this trip to the secret realm will definitely be very exciting. Then we will hide it and wait for them to fight together to reap the benefits of the fisherman.”

Lin Ziming didn't pay much attention to their whispered discussions. He meditated now, his thoughts spread out, and he explored the entrance of the secret realm.

However, no matter how much he explored, he found nothing. The entrance of the secret realm seemed to be another piece of time and space, so he couldn't explore it anyway.

Two hours after he arrived, gradually, some strong people came, all of them super strong people who are hidden from the world. Among them, the junior of Huangpudao, Tuoba Liang, also came.

He still carried a pair of heavy big swords, star eyes and sword eyebrows, he

seemed to be a master's style, his appearance has attracted the attention of many people.

"Tuoba Liang has indeed come."

"Tuoba Liang hasn't appeared for a long time, and he didn't think that the secret realm would open this time, so he came to join in the heat."

"Of course, this time the secret realm is opened. There are unlimited opportunities inside. How can Tuoba Liang give up this opportunity? However, he is destined to be an accompaniment to run. Then he will enter the secret realm. It is okay to be honest, if he dares to be arrogant. , Die in the secret realm every minute!"

After Tuoba Liang came in, his footsteps stopped for a while, and his eyes shot at everyone. Facing the whispers of these people, he didn't have any anger. Gu Jing didn't wave on his face. He seemed to be used to these things. .

He saw that so many Tianjiao were also here, and a pair of cold eyes exuded a strong fighting spirit, and his aura was also a lot of excitement.

Obviously, this is a militant.

Soon, he saw Lin Ziming.

When he saw Lin Ziming, the fluctuation in his eyes was the greatest, and he strode towards Lin Ziming directly.

"You killed Adam!"

After he walked in front of Lin Ziming, he said straightforwardly.

Lin Ziming didn't have any surprises about his reaction. After all, this day had passed, and Tuoba Liang knew that this was a normal thing.

He smiled and said, "It's me."
