

Chapter: 2170

It just so happened that at this moment, Xiaoyao King's gaze turned to him and met him.

Immediately, Lin Ziming felt that his gaze was attracted by a powerful black hole. This was a brand new experience. He only felt that his mind and soul were all sucked in! The thinking, unexpectedly, was in a state of stagnation at the moment just now.

The atmosphere suddenly became even more weird.

So they all found Xiaoyao Wang and Lin Ziming looking at each other, looking at them with interest.

It can be said that Lin Ziming has become very popular recently, not only in the secular world, but also in the sect world.

What's more, compare him with Xiaoyao King.

Therefore, the arrival of King Xiaoyao today directly gave Lin Ziming an offense, something they would like to see. The best thing is for King Xiaoyao to meet him, and immediately abolish Lin Ziming, then they will be even more happy.

This trip to the secret realm is destined to be a cruel journey, and I don't know how many people will survive by then.

It can be said that everyone is a competitive relationship. It would be better to be able to die a strong opponent before entering.

However, Lin Ziming was just stunned for an instant, and he recovered sober in an instant, his eyes became clear, and he continued to look at King Xiaoyao without fear or dread.

Everyone could feel that there seemed to be electric sparks flickering in the air. At this moment, Lin Ziming and King Xiaoyao were already fighting on a spiritual level.

But it was just a flash, and soon Xiaoyao King retracted his gaze, and the corners of his mouth rose slightly, revealing a playful smile.

Lin Ziming also retracted his gaze and smiled faintly, as if nothing happened just now.

In fact, his heart was also awe-inspiring. Just now he had a mental confrontation with Xiaoyao King. He finally knew why Xiaoyao King was the first in the Fengxian list and his reputation was so loud. I have to say that Xiaoyao King's strength is still terrifying, and Biyang is much more powerful!

The key is that Xiaoyao King, like him, is only half-step into the God Realm, and he hasn't really stepped into the God Realm.

If you really fight, Lin Ziming is absolutely sure that he can beat Xiaoyao King.

But then again, the real battle is not just as simple as looking at the realm. Combat experience, on-the-spot performance, and a strong mentality are all

important. There is no real battle before, and no one knows the result.

Lin Ziming has always had a stronger personality. Now that he meets a person who can crush him on the realm, he is not only discouraged, but has aroused his eagerness to win.

Others saw that King Xiaoyao didn't take any action against Lin Ziming, but simply confronted them, and they were a little disappointed.

At this time, Tuoba Liang came over. He looked at Lin Ziming for a while, and then said: "I now believe that you are capable of defeating Adam."

Lin Ziming was taken aback, and said, "Because of what happened just now?"

Tuoba highlighted the head and said: "Yes, you can persist under the pressure of Xiaoyao King, and there is no gaffe. I admire you very much."

At first hearing this, he was complimenting him. In fact, he was complimenting Xiaoyao King, which further explained that Xiaoyao King was really an extremely terrifying existence.

On the side of King Xiaoyao, a young man was also asking King Xiaoyao, "Brother, why didn't you take any action against this guy?"
