

Chapter: 2171

This young man is called Gong Chunqiu, who is also from the Eastern School. He is the junior of Xiaoyao King and the fourth super arrogant on the Fengxian list. He has a relatively mediocre figure and looks feminine. He has a pair of long hairs. Eyes, it seems that the personality is not easy to provoke, especially when he squinted his eyes, he looked like a human-shaped poisonous snake, hiding in the dark corner, coming out at any time to give his opponent a fatal blow.

Xiaoyao King shook his head lightly, and said lightly: "It's not necessary, he entered the secret realm, whether he can survive or not is one thing."

Gong Chunqiu nodded and agreed with Xiaoyao King's statement. In fact, it was not the first time that they had entered the secret realm. They had gone in before and knew what was in the secret realm.

The last time they went in, they almost survived!

At this time, Bu Jingyun said again: "Xiaoyao, you just had a confrontation with Lin Ziming, what is his strength?"

The Shakyatuni on the side also looked over, looking at King Xiaoyao very expectantly, wanting to hear King Xiaoyao's evaluation of Lin Ziming.

Xiaoyao Wang said lightly: "Not bad."

When he said this, he obviously didn't put Lin Ziming in his eyes. The subtext was that although it was not bad, it was far from his opponent.

This sounds very arrogant, but when it comes out of his mouth, no one thinks it is arrogant, but it feels normal.

Because Xiaoyao King is the number one master in the realm of Tongshen, this is not a boast, but a fact, relying on a pair of fists of Xiaoyao King.

Lin Ziming has been quite famous recently, but compared to King Xiaoyao, it is nothing, because the master of the God-Through the God Realm, the King Xiaoyao had killed several years ago.

Xiaoyao Wang, as the top super arrogant on the list of immortals, completely ignores Lin Ziming's capital.

Although they didn't speak loudly, they didn't deliberately conceal it. All the people present were first-class masters, and their ears were so sharp that they could hear them clearly.

At the same time, Lin Ziming heard it too, but he didn't have any anger in his heart, he just smiled lightly, without taking it too seriously.

Tuoba Liang on the side was surprised when he saw his reaction, "Aren't you angry?"

Lin Ziming asked, "What makes you angry?"

Instead, Tuoba Liang was questioned by him. After a while, he shook his head and said, "Your performance is not in line with your age. I am a little doubt that you are only thirty years old."

Lin Ziming smiled, without explaining anything.

He felt normal for Xiaoyao King's contempt just now. After all, he was the number one super arrogant on the list of immortals, and he had been famous for a long time.

During this period of time, he went to investigate Xiaoyao King and found that Xiaoyao King is a unique existence. Looking at the martial world and the secular world, he is the king who is proud of all the heroes, and he has been famous for a long time. Compared with before, his reputation is still It's really not as good as Xiaoyao King.

But what does this mean?

What he likes most is to play with the following grams.

This time, during the trip to the secret realm, he has never thought of being an enemy of anyone. He has only one purpose, which is to break through to the realm of the gods through this trip to the secret realm, and have stronger strength in the next world war. Protect the people around you.

If someone provokes him, then he doesn't mind killing the other person, even if this person is Xiaoyao King.
