

Chapter: 2179

Lin Ziming is now wearing this modern costume, and when he appears here, he looks very strange, and he was discovered at a glance.

Moreover, like the woman he met just now, when he appeared in this city, he immediately attracted the local people's idea, and they were obviously full of hostility and hatred towards Lin Ziming.

Immediately there were a large number of soldiers in armor with spears in their hands, which was very different from the ancient soldiers on earth.

People here are also much taller than people on earth in terms of body size. Now standing in front of Lin Ziming, it is obvious that the soldier leader is more than two meters tall and has more arms. They are thicker than Lin Ziming's thighs! The whole person exudes a fierce aura, holding a huge mace in his hand, which is particularly terrifying.

Lin Ziming felt that the other party's aura was very strong, and it actually had the strength of the innate realm of earthlings. As for the soldiers, all of them were very strong and piercing.

After they surrounded Lin Ziming, the leader of the soldier whispered in his mouth. Lin Ziming didn't understand at all, but from the other party's expression and tone, Lin Ziming could probably guess what the other party meant, just cursing him.

Lin Ziming said helplessly: "I just passed by here, and I have no intention of being an enemy of you."

It's just that these people don't seem to understand what he said.

Then the leader of the soldier raised the mace in his hand high, pointed at Lin Ziming, yelled in his mouth, and then started rushing towards Lin Ziming, obviously intending to attack Lin Ziming. Now, Lin Ziming will be taken down directly.

Lin Ziming felt a little helpless in this situation, but of course he wouldn't be able to catch it.

Shaking his head, Lin Ziming waited until the opponent was in front of him and did not dodge. Instead, he stretched out his hand. When the soldier leader's mace fell, he firmly grasped the opponent's wrist and caught the opponent's. A fierce blow.

The opposing soldier leader's pupils immediately shrank, and his eyes exuded horror. Obviously he did not expect that Lin Ziming, who was so much thinner than him, could explode with such a powerful force!

Lin Ziming said: "You are not my opponent, I don't want to hurt you."

Then, Lin Ziming directly pushed the opponent away.

However, Lin Ziming's kind behavior did not get their forgiveness, but on the contrary, it became even more violent and greatly stimulated them.

Especially the soldier leader, roaring wildly, his whole person is like a fierce polar bear, rushing towards Lin Ziming.

Not only him, but other soldiers around him also began to attack Lin Ziming. The scene was extremely chaotic. It seemed that Lin Ziming was at a disadvantage.

Lin Ziming frowned. He didn't want to be an enemy of the natives of this world, but if the other party didn't know what was good or bad, he wouldn't mind making a move, so he could teach him a lesson.

It was never his character to sit and wait for death, so he waited for these soldiers to arrive before he began to counterattack.

In his realm, fighting these indigenous people can be said to be as simple as killing chickens. Chopping melons and vegetables is completely crushing. In less than a minute, he cleanly knocked over these soldiers.

However, he didn't even kill these soldiers.

After defeating them, he stopped.

At this moment, the aboriginals around saw this scene and looked at him with fear in their eyes, but they did not dare to continue to attack him.

Lin Ziming originally wanted to say something, but he thought that even if he did, these indigenous people would not understand it, so he didn't bother to say it.
