

Chapter: 2182

But at the next moment, Lin Ziming exploded with a powerful aura, which was an absolute murderous intent, crushed on them.

Suddenly, they were shocked all over, and finally realized that Lin Ziming didn't come to join them at all.

Then, they heard an extremely cold sentence from Lin Ziming's mouth: "I count to three. If you don't let her go, I will kill both of you."

When this sentence was spoken, it seemed to have affected the will of the sky, and there was a thunder and lightning.

Immediately after the fat and thin people heard it, their bodies were clearly positioned, and their faces became difficult to look at.

They turned around at the same time, looked at Lin Ziming unkindly, and began to say, "Lin Ziming, what do you mean?"

Lin Ziming stood with his hands, looking at them coldly, "Let her go."

At this moment, the fat and thin people finally understood what Lin Ziming meant. They laughed in anger and looked at Lin Ziming with provocative expressions, "Oh, dare you to eat alone, right? If I tell you, Lao Tzu, he Don't let go, what can you do?"

Lin Ziming narrowed his eyes and said again: "If you don't let go, I will kill you two."

Arrogant, too arrogant.

In the eyes of the fat and thin people, it is true that Lin Ziming's behavior is too arrogant, and it simply doesn't take them both in his eyes.

They have to admit that Lin Ziming's reputation is indeed stronger than that of them. If they are alone, they are definitely not Lin Ziming's opponents.

However, they are not fighting alone now, but two people together. Lin Ziming dared to ignore them like this, it was too arrogant! They are also well-known super talents in the martial art world. They are all characters on the list of immortals. Everyone is a super talent. Why is Lin Ziming so arrogant?

"Hahaha..." The thin man seemed to have heard a big joke, he burst into laughter immediately, and at the same time he stood up slowly, and gradually, from his body, a monstrous wave radiated from him. Compared with Lin Ziming, the momentum of the giant waves was not much better than that of Lin Ziming.

His figure looks very thin, but very tall, with a full height of 1.9 meters, so he looks so thin. Moreover, he is also on the list of immortals, ranking eighth. In his life, he has not been defeated. Young master, in his opinion, Lin Ziming is just a junior.

If he met Lin Ziming alone, perhaps he would not dare to be an enemy of Lin Ziming, but he is not alone now. Next to him, there is a companion who is ranked seventh on the immortal ranking list. They are two. Adding up, it

can be said that in addition to those old monsters that are hidden from the world, they are also afraid of a Xiaoyao King!

If Lin Ziming is Xiaoyao King, then they leave obediently, but why is Lin Ziming so arrogant?

“Lin Ziming, do you think you are the enemy of the world? Lao Tzu originally thought that you are also a human being, and didn’t want to be familiar with you, but you actually put Lao Tzu on it, right?” The thin man tilted his face to Lin Ziming. Said, in his demeanor and tone, he showed great disdain and contempt, and he didn’t put Lin Ziming in his eyes at all. He thinks that this is not arrogance, but absolute self-confidence. There are two of them.

The fat man also licked his lips and said, “I didn’t want to fight you. I didn’t expect that you came to the door by yourself. If this is the case, then you go and die. One less competitor, we The brothers can grab more fruits.”

Lin Ziming stared at the two of them lightly, without the slightest panic on his face, instead, as if he was just watching a joke, Feng Qingyun said indifferently, “Is it enough? If you say enough, then go to death. Right.”
