

Chapter: 2191

The thin man said incomprehensibly: “How can we drive tigers and devour wolves?”

“Before entering the secret realm, I observed that Gong Chunqiu, Xiaoyao’s junior, was obviously hostile to Lin Ziming. If we meet again next time, if we provoke a bit, it is unlikely that Xiaoyao’s junior, Gong Chunqiu will attack Lin Ziming Well. Once Gong Chunqiu is beaten to death by Lin Ziming, what do you think King Xiaoyao will do?”

After hearing this, the thin man suddenly brightened his eyes and said: “With Xiaoyao King’s character, it is definitely impossible to let Lin Ziming go! Once Xiaoyao King shoots Lin Ziming, it will definitely be the end of both losers! It’s our chance, sure, we can still be the final winner, hahahaha...”

The more he thought about it, the more excited he became, and finally he laughed loudly, but he laughed too quickly, and it affected his injury again, and he screamed in pain.

The fat man said: “Yes, next step, we will go to Gong Chunqiu!”

They then discussed a specific plan. After the two of them had discussed it, they both felt that it was feasible, because they knew Gong Chunqiu and knew Gong Chunqiu’s character, so it would not be difficult to provoke it at that time.

And once they succeed, then they can take advantage of the fisherman’s profit.

“Hey, are you really different from them?”

On Lin Ziming’s side, when he was about to leave, Dilidal stopped him, his eyes flashing with strange expressions.

As a native of this world, her pupils are not the same as those on earth, and she has an indescribable light, which is particularly attractive to her.

Lin Ziming said, “What do you think?”

She thought for a while, and then said: “It’s not the same, you are not as bad as them.”

Lin Ziming smiled and said, “You’d better go back soon. Don’t let your family worry about you for too long.”

After speaking, he is leaving.

However, Dilidal stopped him again, “Hey, your clothes are all rotten, do you want to keep wearing them like this?”

Lin Ziming lowered his head and found that his clothes were indeed too worn out. In the battle with those two guys just now, they were almost beggars.

This is the biggest annoyance of being the strong, because the battle between the strong is too fierce and the destructive power is too great, often after a battle, the clothes will be very tattered, and sometimes embarrassing

things will occur. ask

He thought it over, and when he returned to the earth, he must let Han Jinlong and the others make a kind of clothes made of very tough materials. Otherwise, after every fight, they would be so embarrassed and it would be too embarrassing.
