

## Chapter: 2201

For this kind of thing, Lin Ziming could only express his silence.

In fact, it is not difficult for him to understand, it must be the secret realm on the earth, after the strong come in, it is to enter this piece. As for the supernatural powers on the earth, the natives of this world are too weak in strength. There are no legal and moral constraints. These superhuman powers are here to completely release the evil in their hearts and burn and kill them in various ways. Snatching is also a matter of guesswork.

This kind of thing has actually happened many times on Earth.

Like when the Europeans first came to the Americas, because of their sophisticated weapons, they not only slaughtered the local natives, but also colonized the Americas.

This is human nature, evil human nature.

Fortunately, Lin Ziming was able to hold the moral bottom line in his heart, and he did not become such a person.

He solemnly said sorry to Dilidal, but besides that, he had no way to make up for it.

Then, Lin Ziming went to the main topic and asked Dilidal about the “fruit”.

But unfortunately, Dilidal didn't know the “fruit” thing.

Seeing this, Lin Ziming had no choice but to give up. It seemed that he had to leave here and go to a higher-level city to find the 'fruit'.

However, what he didn't know was that on the earth, in fact, there was information on the things they were inside.

In fact, since the opening of the Secret Realm, there has been an extra forum on the earth called “The Secret Realm Fruit List”.

And here, the names of twenty people who entered the secret realm appeared, and behind them, the number of “fruits” was displayed.

It's been a week now, but no one on the list got a fruit.

However, just in the early morning of this day, suddenly, there was a change on this list. It turned out that someone got the 'fruit'!

“I'm not mistaken! Someone got the fruit so quickly?”

“Really or not, isn't it just a week since I went in, someone got the fruit so soon? Who is it!”

“I see, King Xiaoyao... it really is King Xiaoyao! Oh my God, he still got two fruits! This is too powerful!”

Yes, King Xiaoyao got two 'fruits' all at once, except for him, everyone else didn't get the fruits, which seemed to be particularly backward.

Soon, on the Chinese side, I also received information.

The fastest was from Yandu Shangguan Wei'an. He knew this information for the first time, and his face became unsightly right now.

“Oh, I was actually boarded by Xiaoyao King Jiezu first. This is not good! He was originally the number one arrogant on earth, and now he has got two

fruits, which are enough for him to break through to the realm of the gods!” Anxiously said: “This Xiaoyao King is a monster. He has shown amazing martial arts talents since he was a child. He has entered the half-step magical realm early. After so many years of accumulation, once he breaks through the magical realm, then his strength, It can’t be suppressed anymore!”

Whampoa Road on the side is now full of seriousness.

Looking closely at Xiaoyao Wang’s name on the website.

Then, Shangguan Wei’an said worriedly: “Why is Lin Ziming still not moving? King Xiaoyao has already got two fruits. If he meets King Xiaoyao inside, I’m afraid it will be too bad!”
