

Chapter: 2202

“This Xiaoyao King is indeed an extraordinary person. Looking at it for hundreds of years, there are almost no people who can surpass him in martial arts talent. Lin Ziming can be said to be the only one who can fight him.” Huangpu said. Here, he shook his head again, and said regretfully: “It’s a pity that the time given to Lin Ziming is still too short. Now that King Xiaoyao has got two fruits, once Lin Ziming meets him, he will definitely not be the opponent of King Xiaoyao. !”

Shangguan Wei’an heard what he said, and now he is also very anxious, “Then how is this good? Lin Ziming is not only the super genius of my country, he also carries half of China’s national fortune. If it really falls, then he will treat me The fortune of China will be greatly damaged!”

Huangpu Dao shook his head, and said helplessly: “Now there is no way, I can only pray that Lin Ziming can turn the bad into the good, don’t meet Xiaoyao Wang so early, otherwise, it will be in danger.”

Even Huangpu Road said that, so it shows that Lin Ziming’s plight at this time is really great.

Shangguan Wei’an sighed again and again, but there was no way. After all, Lin Ziming and others had already entered the secret realm. It was another world outside the earth. As for why there is such a world, the current science No research has been done yet.

And the only way to enter the secret realm is the light curtain, and the light curtain is only opened after a period of time, and there is no other way.

At the same time, on a mysterious island on the earth, this place is shrouded in clouds and mist all year round. Even if it is a clear sky, the line of sight cannot be seen. From a distance, it is just a huge cloud and mist. Not to the island. This place, even if it’s on a satellite, can’t be seen. In general, it’s a place unknown to the world.

And this place is one of the strongest Eastern Sects in the four major sects in the martial world, Killing Heaven Sect!

Many people know that the strongest of the four sects is the Heavenly Killing Sect, but few people know that the Heavenly Killing Sect is on an island.

At this time, there was a huge stele standing on the Heaven Killing Sect, and on the stele, a list was projected. It was the “Secret Realm Fruit List”, and the first name on it was Xiaoyao King.

“Senior Brother Xiaoyao is indeed the first person in the God-Through-Shen Realm. It has only been a week since I entered the secret realm, and I have found two fruits.”

“Of course, I don’t look at who Senior Brother Xiaoyao is. Even the Supreme Elder said that Senior Brother Xiaoyao is the first genius in a thousand years, and his achievements will be infinitely great in the future,

and he will surely be able to truly break through the limits of mankind and enter the gods. Realm, out of the physical body, ranks in the immortal class!”

“I thought that Lin Ziming, who has been very popular recently, can compete with Senior Brother Xiaoyao. It seems that Senior Brother Xiaoyao is not an opponent at all.”

“Haha, are you kidding me? What kind of thing is Lin Ziming? He is just a rubbish boasted of in the world. What qualifications does he have to compare with Senior Brother Xiaoyao?”

“That’s not the case. It is said that this Lin Ziming is the first genius in the world. In half a step, he can defeat the Adam of the gods. It should not be underestimated.”

“Ho ho, that Adam is a fart, if Senior Brother Xiaoyao takes the shot, that Adam will not be able to stop one turn.”

“That’s true.....”

On the square, there were many disciples of the Killing Heaven Sect. They were all wearing white gowns, with a big word “killing” pierced on their chests.

If you look carefully, you will find that the strength of each of these disciples is above the innate realm, and there are hundreds of them, which can be said to be an incomparably powerful force!
