

Chapter: 2207

Chu Fei took a deep breath and tried to squeeze out a smile. She didn't want Tao Sanniang to see her embarrassed now, so she smiled and said, "Nothing, this is a bit tired from work recently."

She is already very good at covering up, but how can she hide Tao Sanniang? Sure enough, when Tao Sanniang saw her like this, her expression immediately followed and became serious, walked to Chu Fei, stared at Chu Fei directly, and said, "Is the situation getting worse?"

Chu Fei avoided her sight, smiled and said, "There is no such thing, it's good."

"Feifei, don't want to lie to me, your eyes have already betrayed you! It must be getting worse and worse. Is that guy looking for you?!" Tao Sanniang grabbed Chu Fei's hand. He said very solemnly: "You can't delay any longer, you must tell Ziming, or you won't be able to carry on like this." "There's nothing wrong." Chu Fei shook her head and continued to squeeze a smile.

But her smile didn't make Tao Sanniang relax. Instead, it made her more serious and worried. "Feifei, don't want to lie to me. You don't sleep with me these days. It's because the situation is bad! I knew that you must be worse. I didn't want me to worry, so I lied to me and got better. You have such a personality! But why did you lie to me like this? Are we not good sisters? Feifei, you can't do this by yourself, you have to tell Ziming! No, I will tell Ziming to go now..."

After speaking, she took out the phone and was about to call Lin Ziming.

However, after she took out the phone, she suddenly realized that Lin Ziming went to the secret realm. Even if he told Lin Ziming, it was not useful. For a while, he felt very regretful and said, "Oh! Ziming is here now. In the secret realm, I knew I should have told him before he went to the secret realm!"

Chu Fei shook her head and said, "If you don't use it, tell him what you don't use. Sanniang, don't worry, I'll be fine. I'll get better soon. The other party can't find me."

Tao Sanniang said angrily, "At this time, you are still lying to me! Feifei, you don't even think of me as a sister!"

Hearing this, Chu Fei bit her lip tightly. When she was about to speak, suddenly, there was a sharp pain in her head. That kind of tingling sensation came again, stimulating her severely and making her She couldn't help screaming again, and her body had lost her strength, she was about to fall. If Tao Sanniang hadn't reacted quickly enough, she would have fallen to the ground.

And her situation scared Tao Sanniang very much.

And she also found that Chu Fei's body suddenly became much colder, and

at the same time the blood on her face was also lost.

The whole person seems to be overdrawn a lot, which is alarming.

Tao Sanniang immediately became anxious, “Feifei! What’s wrong with you, don’t you have trouble! Feifei, don’t scare me!”

However, no matter what Tao Sanniang said, Chu Fei still couldn’t speak. She was now in a state of extreme weakness, and at the same time she couldn’t get it out, as if her body had been hollowed out.

Tao Sanniang was completely panicked when she saw this situation.

Just when she took out her mobile phone and was about to call an ambulance, Chu Fei finally spoke, “Sanniang, I have nothing to do, don’t call an ambulance.”

Tao Sanniang immediately yelled and said: “You are all like this, and you said you don’t want to call an ambulance, do you want to die! If you really have a long life, how sad Ziming will be, how can I tell him Explain!”

After that, she continued to call an ambulance.

However, Chu Fei still grasped her hand tightly and said, “Sanniang, you really can’t go to the hospital. If you go, he will know right away. He is almost coming, he is about to come...”

When she said this, fear and pain appeared on her face, and she closed her eyes.
