

Chapter: 2210

The expressions of the two of them were solemn, but Gong Chunqiu was very disdainful, frowned, and took some contempt for Bu Jingyun and Shaky Suni, and said: "I said you two are too daring. When he is young, he has the ambition of others to destroy his own prestige. He is a little Lin Ziming, so he scares you like this?"

Bu Jingyun and Shakyatuni didn't talk, but looked towards King Xiaoyao.

Xiaoyao Wang said: "You two have such a high evaluation of this Lin Ziming, it seems that this person is indeed amazing."

Gong Chunqiu said, "Hoho, no matter how good he is, how can he be compared with Senior Brother Xiaoyao? Not to mention, we still have four sects, countless powerful people, when the time comes, the secular world will be vulnerable, he is little. It is impossible for a Lin Ziming to make any waves."

Several other people also thought this way, highly agreeing with Gong Chunqiu's words, and at the same time, they worked hard to flatter Xiaoyao King.

After a pause, Gong Chunqiu said again: "In my opinion, this trip to the secret realm, Lin Ziming definitely cannot get a single fruit. If he can't meet us, it's okay, if he meets us, then I must kill him in the secret realm!"

When he said this, his face was full of arrogance and self-confidence, as if he didn't put Lin Ziming in his eyes, and he had great confidence in himself. Bu Jingyun and Shakyatuni only smiled for his behavior, and they didn't even argue with him.

After a while, Bu Jingyun asked suspiciously: "Brother Xiaoyao, you have got two fruits now, how do you plan to take them?"

Speaking of this, all the super talents present also showed envy.

Yes, this Xiaoyao King got two fruits at once. This is also very lucky. Taking these two fruits will definitely increase his strength!

Even with the profound accumulation of Xiaoyao King, it is not necessarily that you can directly break through to the realm of Tongshen!

Two round fruits appeared in King Xiaoyao's hands. As soon as these two fruits appeared, they immediately caused the people around to breathe quickly, and their eyes were fixed on these two fruits, it was difficult to conceal their enthusiasm and greed!

But they didn't dare to make an idea at all, because they didn't have the guts. And Xiaoyao King didn't worry that they would take it, and he had great confidence in himself.

These two fruits are not big, about the size of a fist, but the energy and nutrients contained in them are not comparable to any food on the earth!

Even the previous Spirit Fruit of Heaven and Earth was less than one percent of these two fruits.

This kind of fruit can only be brewed by gathering the aura of heaven and earth in a brand-new world like the secret realm.

Therefore, if a strong man on earth wants to break through to the god-passing realm, he must go to the secret realm, otherwise, it will never be possible to break into the god-passing realm just by relying on the resources on the earth!

Xiaoyao Wang said lightly: "I plan to gather more than ten fruits and swallow them together."

Hearing this, everyone was shocked at once, and the ten fruits were swallowed together, but what a shock it should be! Is Xiaoyao King just planning to pile up to the third rank of the Tongshen Realm at once?

There are three more realms in the Tongshen Realm, namely the first grade, the second grade, and the third grade.

Among them, most of the strong people on the earth are first-rank, a few can reach second-rank, and third-ranks are even rarer.

Shakyatuni couldn't help but swallowed his saliva and said, "Brother Xiaoyao, can you swallow the ten fruits together, can you hold it?"

He meant it very clearly. If ten fruits are swallowed together, it must be a huge amount of energy. If you eat them together, the body may not be able to hold it.
