

## Chapter: 2219

The fat man and the thin man looked at each other and saw the joy and conspiracy in each other's eyes.

Originally, after they met King Xiaoyao, they planned to encourage King Xiaoyao and Lin Ziming to become enemies, but it was too difficult for King Xiaoyao to fool around.

On the contrary, Gong Chunqiu is better to fudge, so they persuaded Gong Chunqiu to come together, and indeed they discovered Dilidal's tribe.

They were convinced that Dilidal and Lin Ziming must have a leg. If Gong Chunqiu moved Dilidal, then Lin Ziming would definitely attack Gong Chunqiu, and Gong Chunqiu was definitely not Lin Ziming's opponent. Gong Chunqiu would die. Don't worry about Xiaoyao Wanghui's action against Lin Ziming.

It would be better if Xiaoyao King and Lin Ziming would bother and lose, so that they would have more chances of getting fruit in the secret realm.

This is their wishful thinking.

Dilidal discovered Gong Chunqiu's coveting of her, she immediately struck a spirit, took two steps back, and quickly said: "I am Lin Ziming's friend, and he will be back soon. If you dare to attack us, Lin Ziming will definitely not let you go!!!"

I have to say that Dilidal's reaction was very quick, and immediately moved out of Lin Ziming as a shield.

However, she overestimated Lin Ziming's deterrent power, or she hadn't figured out the relationship between Gong Chunqiu and Lin Ziming.

After he shouted out these words, Gong Chunqiu's face became even more ugly, and it suddenly became a lot gloomy.

"Lin Ziming?" The corners of his mouth raised, revealing a grinning smile, "Humph, you really are the rubbish woman of Lin Ziming. In this way, I will play with you even more, tusk."

With that said, he continued to walk towards Dilidal.

Dilidal was stunned for a moment when she saw this scene, and then she became even more nervous, and said to the tribe: "Run! How far do you go!"

The people of the tribe didn't even listen to her words. They all showed a look of death. Even the old people, women and children in the tribe now took up weapons and did not back down.

"These damn invaders, we have to fight with them and avenge the dead people!!"

Each of them is not afraid of death, although they are weak, but their psychology is very strong and fearless.

"You are going to die like this... Well, you are all to blame, Lin Ziming was driven away just now, if he is still here, he will definitely be able to save

us!”

However, Dilidal’s words were immediately condemned by the elders in the tribe, “Dilidal, you really were bewitched by Lin Ziming, don’t forget, he is also an intruder, and he also killed our people! !”

“No, it’s not like that...” Dilidal explained desperately, but the people obviously didn’t believe her.

Afterwards, there were constant warriors from the tribe who were not afraid of death to attack Gong Chunqiu, but this was nothing more than moths fighting the fire.

Finally, at this time, everyone in the tribe began to panic and regret.

They realized that it was a wrong decision to drive Lin Ziming away.
