

Chapter: 2223

When Gong Chunqiu saw this scene, his brows frowned slightly, and he made no secret of his contempt for Lin Ziming, “I said, you guy, why are you fighting with your own kind for an aboriginal, it turns out that you have already been with the natives here. Collusion, Lin Ziming, it seems that you are really a human shame!”

Having said that, Gong Chunqiu shook his head and raised his middle finger to Lin Ziming, despising Lin Ziming to the extreme.

Fat and thin also agree, “Huh, Lin Ziming, you are the shame of the earth, and people like you are simply not qualified to go back to the earth!”

“Hmph, our brothers were chased by you last time, now, Gong Chunqiu is here, and the three of us join forces, it’s your death date!!”

The two of them were murderous, and they hated Lin Ziming to the extreme. The murderous intent that was revealed could almost condense into ice, making all the natives present feel it and shiver.

They are just ordinary people, and they can’t hold back the murderous intent of a powerful person at this level.

Gong Chunqiu shook his head, his face was full of arrogance and contempt, and said, “A mere Lin Ziming scared you like this. I think you two are also rubbish. You both rolled aside, this ant, my Gong Chunqiu Trample as you please.”

He said this sentence, it can be said to be extremely arrogant, he did not put the fat and the thin in the slightest, and after letting the thin and the fat listen, his face was very unsightly and a lot of gloomy.

However, they didn’t dare to turn their faces with Gong Chunqiu directly. It was not that they were afraid of Gong Chunqiu, but that they were afraid of the Xiaoyao King behind Gong Chunqiu. That was the real fearful existence! They glanced at each other, suppressing the dissatisfaction in their hearts, and at the same time couldn’t help but secretly aim at the three fruits on the side.

Now they are all praying that in the end Lin Ziming and Gong Chunqiu will suffer both, and then they will be able to profit. At that time, kill the remaining people directly and swallow these three fruits privately!

As long as they get three fruits and swallow them in, then they will definitely be able to break through to the realm of power.

As long as they break through to the realm of the gods, they can walk sideways when they return to the earth. As long as they don’t die and provoke those old monsters, almost no one can get them.

I have to say that their wishful thinking is very good, but Lin Ziming can tell at a glance.

This is beneficial to him, because if the three of them work together, then it is really a bit tricky for him.

After all, he still hasn't made a breakthrough to the realm of Communicating God, and his realm is the same realm as the three of them.

However, he didn't even make an immediate shot, but indifferently said to Gong Chunqiu: "You are too weak, you are not my opponent. For your brother Xiaoyao Wang's sake, you will get fucked right in front of me, and I can spare you one. Dog life."

He said these words as if the elders were scolding the younger ones, and he also didn't put Gong Chunqiu in his eyes.

After hearing this, Gong Chunqiu suddenly became furious.

"Huh! I don't know whether to live or die, I will take you directly!"

Gong Chunqiu was irritated, he didn't have any more ink marks, and shot Lin Ziming directly.
