

## Chapter: 2229

He once again stimulated his full potential, a donkey rolled around, trying to avoid Lin Ziming's capture.

His movements are already considered very fast, but in front of Lin Ziming, they are still far behind.

When he didn't even escape, he just breathed a sigh of rejoicing in his heart, he suddenly realized that his neck hurts, and then the whole person was lifted up, his feet hanging in the air.

He was caught, and soon heard Lin Ziming's death-like voice, "Aren't you arrogant just now? Why did you run away so quickly?"

This voice was full of teasing.

According to Gong Chunqiu's usual character, he would definitely be furious and then shoot, but now, he was already frightened by Lin Ziming.

My heart was completely panicked, Liu Shen Wuzhu, facing Lin Ziming's powerful aura, his body was violently shocked.

"You, you, your strength, how can you be so terrifying, this is unscientific, this is unscientific..." Gong Chunqiu said in shock, yes, he can't figure out why Lin Ziming did it. The strength will be so terrifying, this is completely unscientific!

He is very familiar with King Xiaoyao and knows how terrifying the real strength of King Xiaoyao is.

But now, Lin Ziming's strength was no different from Xiaoyao King, and it was a level higher than their super talents.

But this is unscientific and impossible!

According to everyone's cognition, in an era, within a hundred years, there can only be one child of the choice. The so-called child of the choice is the transcendence of talent and can crush all people of the same generation.

And Xiaoyao Wang is such a chosen son, no one can compare him with Gong Chunqiu himself, and he is not convinced by anyone except Xiaoyao Wang.

But now, there is a Lin Ziming, whose strength is not worse than Xiaoyao King. He is among the first and second.

How is this possible!

Could it be said that Lin Ziming is also the son of the Chosen?

If he were to know that Lin Ziming was also the chosen one, then even if he was given a hundred courage, he would not dare to be so arrogant in front of Lin Ziming. This was nothing but death.

"You can't kill me!! You can't kill me!!!" Gong Chunqiu now screamed fiercely, his emotions were very excited, his feet were kicking in the air, he wanted to resist, but Lin Ziming caught his neck. After that, he squeezed hard, shook, and suddenly shook his spine several times in succession. Lin Ziming shook his spine.

And Gong Chunqiu also screamed sternly.

He is now completely paralyzed, and the entire spine bones have been shaken off. This kind of pain can be said to be more than all pain, and a tough guy like him can't help but scream.

And the thin and fat people running in front, heard this scream, their scalp numb with fright, and when they looked back, they saw Lin Ziming throwing the fallen Gong Chunqiu aside, and then He glanced at them, his eyes were full of sarcasm and disdain, and then Lin Ziming chased them.

Seeing this scene, they only felt unprecedented fear, and used the strength of feeding to run with all their strength.
