

Chapter: 2230

If this scene spreads to the earth, it will definitely cause an uproar, which is unbelievable.

You know, fat and thin are super arrogances on the list of bestowed immortals. There are countless geniuses who have died in their hands. They have been in such a long time since their debut, and they have never been so embarrassed.

Even if they met a master of the God-passing realm, they had a rank of power, and they definitely wouldn't be so frightened.

But now, in front of Lin Ziming, they were completely frightened and fleeing.

Yes, to Lin Ziming, they really had no idea of resistance. It was not that they were timid, but that Lin Ziming was really terrifying. It was already far beyond their cognition. In their opinion, Lin Ziming was already a monster at the same level as Xiaoyao King!

Gong Chunqiu is already a very awesome super arrogant, and he is also extremely famous in the whole martial art world.

However, such a powerful Gong Chunqiu is in the hands of Lin Ziming, but he has no ability to resist at all, it is completely cat and mouse.

Now Gong Chunqiu has been resolved by Lin Ziming, and Lin Ziming's gaze shifted to them, which made them really scared to split.

The fear of facing Lin Ziming before resurrected. At their peak state, they were not Lin Ziming's opponents, not to mention the skinny man is injured now. As long as Lin Ziming catches up with them, then they must have only a dead end!

Now when they regretted it, why did they watch the battle for so long just now? Isn't it okay to just run away? It's fine now, and they are in big trouble. No matter how bad, they shouldn't just watch with cold eyes. They joined forces with Gong Chunqiu to fight Lin Ziming, which is much better than they are now.

But at this time, they also had no way at all. They only had to use the power of breastfeeding, even at the expense of overdrawing their potential, in order to speed up and escape Lin Ziming's clutches.

It's a pity that their thoughts are very good, but they still can't escape Lin Ziming. Now that Lin Ziming's breath is getting closer, they can even feel Lin Ziming's breathing. This feeling is really bad. Let their hearts be screwed up, and the goose bumps on their necks are all erected. It feels like being chased by death, taking their lives at any time!

And at this time, Lin Ziming's voice rang again, "You can't run away. I let you off last time, but you still dare to come to the door. It seems that you didn't put me in your eyes at all. what."

Lin Ziming's words clearly reached their ears. It was obviously just a very

plain sentence, but to them, it was a reminder of the Yama King, which made their scalp numb, and even their legs were a little bit numb. Shaking! The thin man's speed was obviously a bit slower, and he was anxious to the extreme now, because he could already clearly feel that Lin Ziming was already behind him.

He hurriedly looked back subconsciously, and he saw Lin Ziming's face close in front of him, and he also showed a smile to him, and this smile, falling in his eyes, was completely a devil's smile, making him I panicked all at once, staggered on my feet, and almost fell.

But with this staggering time, the distance between him and Lin Ziming was further narrowed.

When he reacted, Lin Ziming was already behind him, and as soon as he reached out his hand, he grabbed his neck.

The thin man fought hard and slammed Lin Ziming with a fist. At the same time, he shouted, "Go to hell!!!"

This was completely his final counterattack, and he delivered the toughest blow in his life. Even the super arrogant who slapped him in front of him would definitely be injured when he encountered this punch.

It's just that his battle of trapped beasts, in front of the Great Demon King Lin Ziming, still seemed too inadequate.
