

Chapter: 2231

The corners of Lin Ziming's mouth rose slightly, revealing a disdainful smile, and said lightly, "I can't help myself."

Then, Lin Ziming shot, caught his punch, and then twisted and slammed, his wrist was directly broken by Lin Ziming.

As a result, the thin man screamed sternly.

You know, the punch he just now has all his strength, but in front of Lin Ziming, it was not enough to look at, and his wrist was broken. This really scared him away. .

There is no longer any thought of resistance, and the spirit of the whole body is also removed. Now he is just a paper tiger.

Lin Ziming directly grabbed his neck, then lifted it up, shaking, and the bones of his whole body were also directly shaken to pieces by Lin Ziming.

This pain was too strong, causing him to scream again. The whole person lost the strength to support and collapsed to the ground like a puddle of mud.

After Lin Ziming solved him, he took the fruit from him casually, and then he chased him towards the fat man.

The fat man didn't dare to turn his head. He ran at the fastest speed in his life to escape Lin Ziming's claws. He heard the screams of the thin man, and only felt that the goose bumps all over his body were erected. It was even more for Lin Ziming. Terrified.

Now he had only one thought in his mind, and that was to run, must run out of Lin Ziming's pursuit, and from now on, he would never dare to fight Lin Ziming again!

However, his thoughts are very good. In Lin Ziming's hands, he still can't escape.

"Your speed is quite fast."

At this moment, behind him, Lin Ziming's voice suddenly came from behind him, which made him feel like crying.

This guy Lin Ziming was so fast, he was chased so quickly. At this moment, he seriously suspected that Lin Ziming was not a half-step master of the gods, but was already a powerhouse of the gods!

Only those who are strong in the realm of God can have such a terrifying strength!

He did not dare to speak, and continued to burn his own potential even further, even if he burned his instinct, he would not hesitate, because he knew that if he fell into Lin Ziming's hands, then Lin Ziming would definitely not let him go. Yes, there is only one end for him, and that is death! ! !

"Ahhhhh!!!"

He screamed, and his speed really increased a step, which made Lin Ziming also feel a little surprised.

It's just that his speed is not enough in front of Lin Ziming. He doesn't know what level Lin Ziming has reached.

"You can't run away."

Lin Ziming's voice came again, this time, the voice came directly to his ears.
