

## Chapter: 2232

At the same time, he also felt that Lin Ziming's breath had really reached his back, and the distance was extremely close!

At this critical moment, he knew that if he didn't make any moves, then what awaited him was Lin Ziming's fatal blow!

At this moment, he gritted his teeth and made a difficult decision, that is, to throw the two fruits in his hand violently, in another direction.

He didn't believe that Lin Ziming would not be moved by these two fruits!

I have to say that his move is still very courageous, these are two fruits, as long as he swallows these two fruits, then he can directly become a master of the gods!

And as long as he became a master of the gods, he would definitely be able to defeat Lin Ziming.

It's a pity that he has no such time. If he swallows two fruits now, then death is waiting for him.

Because after swallowing the fruit, it will take some time before he can break through to the psychic realm, and during the period of weakness when he digests the fruit, Lin Ziming can easily kill him.

Lin Ziming had to raise his eyebrows when he saw this action, and looked at him a little bit high, not thinking that this fat man still had such courage.

However, Lin Ziming is more courageous than him. He only glanced at the direction of the fruit, roughly recorded the position, and did not accelerate even a single cent, even speeding up, and rushing towards the fat man. go with.

He has lost his patience now. For the fat man, he is already dead and will kill him.

The fat man just breathed a sigh of relief, thinking that Lin Ziming would definitely chase the two fruits instead of chasing him, but immediately, he sensed Lin Ziming's breath, and instead of pulling away, he was getting closer. This made him suddenly messed up!

"Lin Ziming!!! Are you crazy?!"

He roared, completely unable to understand Lin Ziming's behavior. The two fruits are not more expensive than his life, and Lin Ziming actually didn't go after the two fruits, but continued to chase him.

Is the hatred between him and Lin Ziming so great! !

As soon as his words fell, Lin Ziming was already behind him, and he slapped it directly on his back with a loud bang.

The fat man was too late to defend, so he was shot by Lin Ziming, and at the same time he was also in the air, spouting a big mouthful of blood. Because he was rushing forward, the blood he vomited immediately touched his body again, making him look extremely embarrassed and desolate.

Lin Ziming didn't have any mercy with this palm, and asked him to shoot

him directly on the ground.

Because he was too fast and his huge inertia, he made a huge mark on the ground.

Lin Ziming's palm directly caused him to be seriously injured!

"Don't kill me, don't kill me... Please don't kill me..."

The fat man heard Lin Ziming's footsteps and felt Lin Ziming's strong murderous intent against him, making him completely lose his dignity, shivering, and begging for mercy to Lin Ziming, he even cried.

He didn't want to die, he really didn't want to die, how difficult it was for him to cultivate to this point, and he was about to break through to the realm of the gods, but he died in Lin Ziming's hands, it was not worth it!
