

Chapter: 2233

Now, besides fear, he is more regretful. Knowing Lin Ziming's strength is so strong, he gave him a hundred courage, and he didn't dare to provoke Lin Ziming!

But now there is no way. Even if he is regretting it, he cannot change this fact. The only thing he can do now is to beg for mercy, abandoning all dignity and pride and begging for mercy. I only hope that Lin Ziming can show compassion and spare his dog's life. !

Soon, Lin Ziming walked in front of him, looked at him condescendingly, and said faintly: "How did you find my position."

The fat man didn't dare to conceal anything, and quickly said: "We guessed, guessed...Lin Ziming, Brother Lin, please let me go, I will never dare to fight you again. Please, I am willing to be your dog..."

He knelt in front of Lin Ziming, kowtow desperately, enduring the severe pain on his body, I have to say that he still looks pitiful in his current appearance.

It's just that Lin Ziming will let him go? The answer is definitely no.

He continued to stare at the fat man, and said, "How many fruits did King Xiaoyao get?"

The fat man said quickly again: "Two! Two, two! Xiaoyao King has already got two fruits! Brother Lin, Xiaoyao King's strength is also unfathomable, he now has two fruits, if you let him I see, you killed his brother Gong Chunqiu, then he will definitely find you to take revenge! As long as Brother Lin you let me go, I will go back and tell him that Gong Chunqiu died in the hands of the indigenous people. , Then King Xiaoyao won't bother you..."

He speaks very quickly, and he has no sense at all. If he were calm, he would definitely not say such stupid things, because if he said that, it would be even more impossible for Lin Ziming to let him go. left.

Lin Ziming murmured, "Has Xiaoyao King got two fruits? This is quite lucky."

There was a glimmer of light in his eyes.

In fact, as far as the entire secret realm is concerned, the only threat to him is Xiaoyao King, and he doesn't care about other people.

And he knew that sooner or later he and Xiaoyao King would have a battle.

He is looking forward to this day. The Xiaoyao King, who is the number one in the seal of immortality, is known as the chosen son of this era. He has long wanted to meet.

Looking at the fat man, he said: "When do you plan to attack the secular world?"

He asked the last question. Sure enough, after the fat man heard these words, his face changed obviously. Obviously, he didn't expect Lin Ziming to ask

this question.

This question, to him, seemed to be a big secret, and it made him a little hard to tell. He lowered his head, his eyes gurgling.

Lin Ziming took a step forward, the murderous intent became more intense, and said: "If this is the case, then you go to die."

"I said! I said!" When the fat man heard Lin Ziming's words, his mentality immediately collapsed, and he quickly said: "Three months later, three months later! This time the plan is from the Eastern Sect of Heaven Slayer. They called on the entire martial world to attack the world! Brother Lin, I can tell you what I know, please let me go, please!"

He kowtowed again, he already had any trace of dignity.

Three months later?

After Lin Ziming heard this answer, he frowned.
