

## Chapter: 2237

“These are the aboriginals of another world. They just look like us. In essence, they are not the same blood as us. They are not our kind. Do you need to respect their wishes?” Gong Chunqiu said: “All the strong people who go to the secret realm do not treat the natives here as human beings. They slaughter here and release the demons in their hearts to their fullest. Only in this way can they release the demons in their hearts better. But why do you do this for what? ,for what?”

He really couldn't understand Lin Ziming's thoughts at all.

In fact, his words were also heard by many people in the tribe.

They also looked at Lin Ziming closely, wanting to know what Lin Ziming thought.

Lin Ziming just smiled faintly and said, “I respect every life.”

“It's that simple?”

“It's that simple.”

When Gong Chunqiu heard this, some light appeared in his eyes and said: “Since you respect every life, then you have to let me go, otherwise it is in line with your ideas, you are a hypocrite!”

I have to say that Gong Chunqiu's reaction ability was still very fast, and Lin Ziming's loophole was caught all at once.

However, he didn't know Lin Ziming enough. Lin Ziming only smiled and said, “I'm sorry, there is a prerequisite for me to respect life.”

“What do you mean?!” Gong Chunqiu felt the murderous intent released by Lin Ziming, and he immediately panicked, “Lin Ziming, you can't kill me, you said you must respect every life!”

Lin Ziming walked over to him slowly and said: “My premise is that this life is worthy of my respect. In my eyes, you are not worthy of my respect. Besides, you were the first to deal with me. Although I am kind, I am not pedantic.”

Gong Chunqiu kicked his feet indiscriminately and wanted to leave Lin Ziming, but the bones on his body were all falling apart. How could he be struggling? He was very embarrassed now, “You can't kill me, Lin Ziming, you can't kill me! You can't kill. Me! My brother is Xiaoyao King. If you kill me, Xiaoyao King will not let you go. He has already collected two fruits...”

He threatened all kinds of things, but he didn't have a bit of lethality.

At the end, he cried directly, no longer had the arrogance and arrogance just now, and turned into a poor creature.

Lin Ziming looked at him coldly, “Is it enough? If it's enough, let's get on the road.”

After speaking, he shot directly and ended his life under Gong Chunqiu's desperate begging for mercy.

After killing Gong Chunqiu, Lin Ziming just seemed to have done a very insignificant thing.

In the end, Gong Chunqiu's threat to him was not in his eyes. Even if he didn't kill Gong Chunqiu, he would have a battle with Xiaoyao King.

However, what Gong Chunqiu said just now reminded Lin Ziming.

"You can't stay in the tribe anymore during this period of time. Hurry up and go to other places to hide. I estimate that soon, the accomplices of these people will come over. At that time, if you stay here, it will be dangerous."

Lin Ziming said in a deep voice.

Dilidal was very smart, and she immediately understood what Lin Ziming meant.

Under her lobbying, the people of these tribes agreed to leave.

At the same time, how long after Gong Chunqiu died, in a certain direction, King Xiaoyao quickly learned about it!
