

## Chapter: 2240

As he said these words, the surrounding air dropped several degrees again, and many people felt scared, and only then did they further discover that the strength of Xiaoyao King was even more terrifying than they had imagined! Fortunately, they belonged to King Xiaoyao, both from the sect world. Otherwise, the hostile relationship with King Xiaoyao in the Secret Realm would be really bad luck.

After saying this, King Xiaoyao walked away with a calm face, and rushed in the direction of Gong Chunqiu. He wanted to see who was so courageous that he dared to beat Gong Chunqiu to death!

Gong Chunqiu is his junior and his brother. He has grown up with Gong Chunqiu since he was a child. The two senior brothers have extremely deep feelings. In his mind, Gong Chunqiu is his relative, his younger brother!

Since childhood, he has taken care of Gong Chunqiu. This time he came to the secret realm. He also told himself in his heart that he must protect Gong Chunqiu's safety. The fruits he got will be divided into half for Gong Chunqiu.

But now, Gong Chunqiu was beaten to death!

To be honest, he couldn't accept this fact at all, he was furious, and his whole person was overwhelmed with anger. This was the most murderous moment in his life. He swears that no matter who this person is, he They must all be killed to avenge the younger brother! ! !

His speed was very fast. According to the instructions on the instrument, he arrived at the place where Gong Chunqiu's accident occurred in less than an hour.

There, he saw traces of the battle.

That battle caused a lot of damage, obviously only the super strong can cause it.

And he immediately recognized that the only thing that can cause such a big movement is the super powers from the earth, the indigenous people in the secret realm, which can't be created anyway. That is to say, his junior, Gong Chunqiu, was Killed by the strong on earth!

And from the earth, there are only a handful of people who have the strength to kill Gong Chunqiu... No, that one should be said!

Because, besides him, only Bu Jingyun and Shakya Sunni are stronger than Gong Chunqiu, and Bu Jingyun and Shakya Sunni have always been with him, so they are directly excluded. Come, the murderer is obvious!

Lin Ziming, it's him!

I have to say that Xiaoyao King's reasoning ability is still very strong, but based on the traces of the battle, he immediately guessed it.

Behind him, Bu Jingyun and Sakyamuni also followed. When they saw this scene, they immediately said in a deep voice: "The scale of this battle is

caused by Lin Ziming.”

“It should be him, this Lin Ziming is really courageous.”

Xiaoyao Wang narrowed his eyes, the murderous intent was so strong that it almost became real!

He almost popped a sentence from his teeth: “Lin! Zi! Ming!!! I want you to die!!”

Then, he continued to walk forward. Not long after, he first saw the fat man’s body, and then stopped. He saw the panic and regret on the fat man’s face. He opened his mouth wide and begged for mercy before he died. It is even more terrifying.

Seeing this scene, he became more determined, and it was Lin Ziming who did it.

In his mouth, Lin Ziming’s name was chanted again, and his tone became colder and colder.

The Super Tianjiao who came from behind also arrived one after another. They all felt a horror when they saw the horror of the fat man before he died. King Xiaoyao stopped talking, his face was so cold that he couldn’t even melt the ice, and then he continued to walk forward, and the steps he came out were extremely heavy!
