

Chapter: 2241

After walking for a while, he walked in front of a tribe. He saw the body of the thin man, with the same expression of horror and regret, just like the expression of the fat man.

Those who came with Xiaoyao King, seeing this scene, can imagine how terrified and desperate they were before they died.

You know, fat and thin people are not small people, but the seventh and eighth super arrogances on the Fengxian list. Now they are dead so miserably.

Then, King Xiaoyao walked another distance. Suddenly, his body shook fiercely because he saw a corpse kneeling in front of him. It wasn't anyone, it was his junior brother Gong Chunqiu!

Moreover, the appearance of Gong Chunqiu looked extremely miserable, especially the expression on his face, which all signaled how pain and despair he had experienced before he died.

Xiaoyao King closed his eyes, and his whole body was shaking violently. He clenched his fist tightly.

Everyone around can feel how angry and self-blaming he is at this moment! Even all the beasts, insects, and all creatures around him felt his terrifying aura at the moment, and they all crawled down and did not dare to move.

After a while, he took a deep breath, opened his eyes again, and walked over to Gong Chunqiu's body.

Every step taken is so heavy to him!

Finally, he walked for a long time, and finally walked in front of Gong Chunqiu. He squatted down and looked at Gong Chunqiu closely. There were tears in his eyes.

Anyone who knew him saw this scene and was shocked in their hearts. They had known Xiaoyao King for so long, and they had never seen Xiaoyao King cry before, and they had never heard of it.

And now, King Xiaoyao actually shed tears, they could fully imagine how miserable Lin Ziming's end would be!

"Junior Brother, I'm sorry, it's Brother Brother's fault to protect you." Xiaoyao King said, and he slowly stretched out his hand to help Gong Chunqiu's eyes closed, but he covered it several times, Gong Chunqiu 'S eyes can't be closed...

This is even more painful for Xiaoyao King!

He couldn't imagine how desperate and helpless Gong Chunqiu was before he died!

And these are all caused by Lin Ziming!

"Brother, don't worry, I already know who killed you. It's Lin Ziming, senior brother will definitely avenge you!" Xiaoyao Wang said very seriously: "Next, I will hunt him down and kill him. The head is cut off and

I'll be buried with you! Junior brother, you can go with peace of mind!"
After saying this, King Xiaoyao continued to close his eyes for Gong Chunqiu.

And it seems that Gong Chunqiu really heard his words under Jiuquan, and finally squinted.

This made Xiaoyao King even more determined, and wanted to kill Lin Ziming and avenge his younger brother Gong Chunqiu!

Even if he reaches the end of the world, he will catch up with Lin Ziming and tortured Lin Ziming to death! !

Everyone felt his surging murderous intent this time, and in their opinion, Lin Ziming was already a corpse.
