

Chapter: 2242

At the same time, on the earth, it also caused a great uproar.

Because at this time, on the list of global attention, the original position of Xiaoyao King was taken away by Lin Ziming!

Moreover, on the list, it is clearly written that after Lin Ziming's name, there is an extra '3', which means that Lin Ziming has got three fruits at once!

Just overtake Xiaoyao Wang.

"I'm not mistaken, right? The first name of Xiaoyao King was actually taken by Lin Ziming?"

"Damn, Lin Ziming unexpectedly gained three more fruits at once, so he can directly break through to become a powerhouse of the God Realm? Is Lin Ziming's luck actually better than that of Xiaoyao King? This is incredible!"

"It's incredible. Lin Ziming actually won the first place. Could it be that the rumors outside are true? Lin Ziming is the chosen son of this era. It's just because he has been dormant before, so it's not obvious. Is the mountain dew?"

It can be said that the changes in this list immediately attracted the attention of many people.

In the martial art world, it also caused a lot of shock, especially in the Eastern Heaven Killing Sect, they are still discussing how many fruits the Xiaoyao King can pick this time, whether it can exceed ten, and the result is only one. After the evening passed, Xiaoyao King was surpassed, but replaced by the secular Lin Ziming, which made them feel extremely unbelievable.

"My God, I'm not mistaken, Brother Xiaoyao was actually surpassed? There is a problem with this list, right!"

"Yes, Brother Xiaoyao is the chosen son of this era, he must have led the way, how could he be surpassed?"

"And this Lin Ziming is not just the clown boasted of in the world, how can he achieve three fruits?"

At the same time, many high-level members of the Heavenly Slaughter Sect also frowned upon knowing this.

Still in the small pavilion on the high mountain, Tianjue and Kunlun were still playing chess. They also knew about it. Kunlun frowned and said in a deep voice: "Xiaoyao was actually overtaken by Lin Ziming. Absolutely, what do you think?"

In contrast, Tian Jue's reaction was much more dull. He just said faintly, "It's just a temporary overtaking, which doesn't mean anything. It's possible that Lin Ziming was lucky and got three fruits by chance. This kind of thing. , There is nothing strange about it."

Kunluo said: "You are calm enough, it seems you have confidence in Xiaoyao."

Tian Jue said indifferently: “That’s natural. Xiaoyao is the chosen son of this era. Even in the secret realm, no one is his opponent. This Lin Ziming will die in his hands sooner or later.”

Kunlun also nodded, agreeing and said: “This is the realm of Xiaoyao has reached an unfathomable realm. As long as he breaks through to the realm of Tongshen, his achievement will definitely surpass us. However, Gong Chunqiu is also walking with me, I don’t know How many fruits can Gong Chunqiu harvest?”

Tian Jue showed a faint smile and said, “Don’t worry about Spring and Autumn. He is the fourth super arrogant person on the list of immortals, and he is taken care of by Xiaoyao. In the secret realm, there is no one who can threaten him. As for this Lin Ziming, it’s not enough. For fear.”

When he said this, although the expression on his face was very plain, his eyes still revealed strong pride and trust. Both Xiaoyao King and Gong Chunqiu were his disciples, and he was very concerned about this. The two disciples had absolute trust, because as a master, he knew enough about the strength of his two disciples.

It can be said that looking at the earth, under the realm of the gods, no one is the opponent of their brothers, even Bu Jingyun and Sakyamuni can not add up!

As for Lin Ziming, who is in the limelight recently, it is not that he is arrogant, he really doesn’t care about it.
