

Chapter: 2243

He didn't despise Lin Ziming, but despised the whole world!

In his opinion, the secular world is just going the wrong way, to develop some high-tech, and there is no continued force in the human body practice. In this respect, it is already too much behind the sect world.

And Lin Ziming was born in the world, no matter how talented he is, without the guidance of a famous teacher, where can he go?

However, just after he had finished saying this sentence, he suddenly heard it. At the foot of the mountain, there was a cry of wailing. The movement was not small, it seemed that something big had happened!

This movement also attracted Kunlun's attention. He frowned slightly and said, "What happened?"

In a short while, two disciples of the Killing Tianzong rushed up quickly, only to see their faces pale, their expressions brought fear and panic, and when they arrived in front of Tianjue and Kunlun, they stammered and said: "Sect Master, too Upper elder, no, no, no, it's not good, something has happened, something has happened..."

Kunlun frowned immediately, with a displeased expression on his face, and said in a deep voice: "Frightened, how decent you are, you are the people of the Tianzong Sect! The sky is falling, and I and the lord are supporting you!"

Tian Jue also frowned slightly and said, "What's the matter?"

After being reprimanded by Tian Jue and Kunlun, these two disciples' faces became even paler, as if they had encountered something terrifying, and they stammered for a while and did not dare to talk casually.

Kunlun immediately scolded: "Say it!"

The two disciples immediately knelt down and said, "It's not good, Brother Gong Chunqiu's token is cracked! On the list, there is also Brother Gong Chunqiu's name..."

"what!?"

As soon as the two of them finished speaking, they felt a gust of wind blowing in front of them, and at the same time a huge pressure came on them. It was Sect Master Tian Jue who teleported in front of them with an extremely deep and cold voice. Said in a tone of voice, making them feel trembling in their bones.

"What did you just say, say it again!?" Tian Jue finally changed his expression now, no longer being calm as he was just now.

These two disciples felt the crushing momentum and coercion from Tian Jue, and their bodies trembled fiercely. They had never seen the Sect Master look so terrifying, as if the sky was about to collapse!

Even Kunlun was shocked by this message now, Gong Chunqiu actually died?

This is no small matter!

Because Gong Chunqiu is not an ordinary disciple, but a super talent, and his future is boundless.

“Make it clear, what is going on with Gong Chunqiu, this can’t be a prank!”
Kunlun said viciously.

Those two addresses knelt down and said tremblingly: “Senior Brother Gong Chunqiu’s token is really cracked. We don’t know why. Please also ask the Sect Master and the Supreme Elder to learn from it!”

As they said, Tian Jue had disappeared and went straight down the mountain.
