

Chapter: 2247

Lin Ziming also experienced a lot of torment at that time, and only after the battle between heaven and man did he endure very hard.

When he got over, his whole body was in a cold sweat, as if he had been salvaged from the water.

However, after carrying it over, the induction of other fruits became stronger. At this speed, Lin Ziming will find more than ten fruits in no time!

And as long as he gets ten fruits, then he can break through to the God-passing realm in one fell swoop, and directly reach the pinnacle of the first-grade in the God-passing realm, ignoring the crowd.

I just don't know, how many fruits have other people in the secret realm already got?

At the same time, on the earth, there are countless powerhouses who are always watching this secret realm fruit list. There are even some organizations that start to make bankers, betting on who can have the last laugh, and become the one of this secret journey. Big winner!

Originally, King Xiaoyao was the most favored person because he had the best reputation. Next was Bu Jingyun, Sakyamuni, and Lin Ziming was the fourth.

However, during this period of time, Lin Ziming counterattacked all the way, and after a short time, Lin Ziming had actually obtained five fruits, while Xiaoyao King had only obtained four.

As for Bu Jingyun and Sakyamuni, they only got three.

For the rest of the people, a few got one, and then there were better ones, not even one.

In this way, Lin Ziming became the most popular existence.

And it alarmed countless people, more and more people, began to really pay attention to Lin Ziming, including some hidden old monsters, and now they all noticed Lin Ziming.

After a few more days, Lin Ziming sensed the position of the sixth fruit, but just this time, he finally met an acquaintance.

No one, it was Tuoba Liang impressively.

When I saw Tuoba Liang again, Lin Ziming almost didn't recognize him.

Because at this time, Tuoba Liang really looked a bit miserable.

"Tuoba Liang, it's you? Why did you do this?"

Lin Ziming blinked and looked at Tuoba Liang in amazement. If it were not for his good eyesight, he would not recognize him. The old man in front of him was in ragged clothes and embarrassed with his hair half-scorched. , Is actually the younger brother of Huangpu Road, Tuoba Liang.

But isn't it? The current Tuoba Liang is really too miserable. Tuoba Liang is not only embarrassed in appearance, but also very sluggish in spirit.

Hearing Lin Ziming's words, his face suddenly changed. He looked up and

saw Lin Ziming. The corners of his mouth twitched fiercely, and his expression became very exciting. Especially, when he saw Lin Ziming look so glamorous now, and his condition was much better than on the earth, he became even more unbalanced.

“You got the wrong person.”

In the end, he made a move that surprised Lin Ziming, and saw him say something like this, then lowered his head and walked around Lin Ziming to leave. The pace was very fast and messy.

Lin Ziming was stunned for a moment, and at the same time he could clearly perceive that Tuoba Liang was injured, and his whole person was hit hard.

This can't help but feel very strange to him.

You know, although Tuoba Liang's strength is not as good as him, he is also a half-step through the gods, in the secret realm, isn't it walking sideways?

Suddenly, he thought of a possibility, and immediately frowned...
