

Chapter: 2248

Could it be said that Tuoba Liang met other super talents and was bullied?
It is really possible!

When Lin Ziming didn't get the fruits before, he didn't know the strong induction between the fruits. At first, he felt that the secret world is so big that they only have twenty super geniuses coming in, and it is almost impossible to encounter them. Noodles.

But now, he knows that the fruits have this kind of induction attribute, then it means that they will definitely run into each other.

In other words, he and Xiaoyao King, or other super arrogances, will eventually touch them.

And Tuoba Liang may have encountered other super talents.

Because Lin Ziming also felt that there was a fruit on Tuoba Liang's body.

Of course Lin Ziming would not let Tuoba Liang leave. He directly grabbed Tuoba Liang's hand and said in a deep voice, "It's me, Lin Ziming, what happened?"

Before entering the secret realm, he had been instructed by Huangpu Dao to take good care of Tuoba Liang after he entered the secret realm.

Tuoba Liang was caught by him, obviously panicked, and quickly threw away his hand, saying: "You have admitted the wrong person, I am not Tuoba Liang!"

After saying this, he speeded up and couldn't wait to leave this place.

Moreover, looking at his movements, he was obviously very frightened, as if something terrifying would catch up immediately.

This made Lin Ziming even more surprised.

He frowned, stopped Tuoba Liang directly, and said in a louder voice: "Tuoba Liang, what happened, did you meet other tianjiao and were bullied by them?"

Lin Ziming's tone is serious, and at the same time he exudes murderous aura. In his opinion, since Tuoba Liang is a junior of Huangpu Dao, he is his own. Now that Tuoba Liang has been bullied by others, he must be looking for a place back. Coming!

Although Lin Ziming's character is very pure and does not like to fight and kill, it does not mean that he is a person who is afraid of trouble.

On the contrary, he actually protects shortcomings. If Tuoba Liang was really bullied by other Tianjiao, then he would definitely not sit idly by.

However, Tuoba Liang's reaction was beyond his expectation, and Tuoba Liang said with a little shame: "I said I am not Tuoba Liang. Are you annoying, get out of here!"

There is something, Tuoba Liang is definitely something!

Lin Ziming was 100% sure about this, he immediately grabbed Tuoba Liang's shoulder and said, "Tuoba Liang, don't be afraid, everything has me,

isn't it...”

However, he hadn't finished saying these words, and suddenly, there was a strong aura that passed from behind, and it was accompanied by a moment of movement.

Tuoba Liang immediately changed his face, became even more panicked and fearful, his eyes widened and his body was trembling!

“Oops! They're chasing you! This is troublesome!!”

The expression on Tuoba Liang's face was terrible. He stared at Lin Ziming fiercely, and said angrily: “I blame you, you killed him!”
