

## Chapter: 2251

“Really?” Lin Ziming smiled more brilliantly, and said: “Just because of you little guys, you want to kill me? Your thinking is too simple.”

“Damn it!”

Lin Ziming’s words can be said to have completely angered them, so that they were not covering up, and immediately radiated the aura and murderous intent of their whole body, forming a powerful storm and pressure that swept Lin Ziming and Tuoba Liang!

In an instant, Tuoba Liang’s body was hit hard, and his teeth were fighting! He felt that he was standing at the eruption of a volcano, always covered by magma and turned into fly ash.

At the same time, after he reacted, he looked at Lin Ziming incredulously, “Are you crazy?!”

He couldn’t understand Lin Ziming’s behavior. Did he live impatiently and dare to provoke these indigenous powerhouses?

I’m afraid that Lin Ziming is not a fool. Could it be that Lin Ziming can’t feel the power of these indigenous powerhouses? These indigenous powerhouses are not ordinary people in those tribes, but have eaten a lot of rare and exotic fruits. A powerful man who has enlightened his wisdom and terrifying strength!

In his opinion, Lin Ziming is absolutely mad, and only mad people will make actions that irritate the other party in this situation!

Lin Ziming said lightly: “You are too courageous, and you are actually scared by them. As a warrior, you must first have a strong heart. Even if you are facing a stronger enemy than yourself, you cannot be defeated in your mentality.”

Hearing what Lin Ziming said, Tuoba Liang was stunned for a moment, and then he shook his head, thinking that Lin Ziming was stubborn. This is an irrational performance. Facing an enemy stronger than himself, the best way is not to be hard. On the scalp, but thirty-six counts are the best count.

Keep the green hills without worrying about firewood.

So he thinks Lin Ziming’s behavior is stupid.

Lin Ziming didn’t continue to talk to Tuoba Liang, but he hooked his fingers to the aboriginal powerhouses in front of him, and said with a smile on his face: “Let’s go together.”

Arrogance, absolute arrogance, no one is pretentious!

Although Lin Ziming’s words were very plain, his tone and demeanor did not show any sarcasm.

However, under this situation, Lin Ziming’s words are absolutely arrogant, arrogant, and arrogant!

This can be said to directly anger these five indigenous powerhouses to the greatest extent.

All of a sudden, their expressions were distorted a lot.

“Since you want to die, then we will satisfy you!”

After saying these words, this indigenous strongman waved his hand, he was the first to bear the brunt, and launched the fiercest attack towards Lin Ziming!

He would directly use the most aggressive means to kill Lin Ziming!
