

## Chapter: 2258

Lin Ziming smiled slightly, he was not surprised at Tuoba Liang's shock, because his progress was so fast, as long as he was a normal person, he would be shocked, even fearful.

In fact, if he were on the earth, he would not progress so fast, mainly in places like secret realms, the tempering effect on his body was so great that he would make rapid progress almost every day.

Soon he set his sights on the remaining aboriginal powerhouse. This aboriginal powerhouse was the strongest among the five and was also their leader.

Now this aboriginal powerhouse was looked at by Lin Ziming's gaze, and immediately trembled, and his face became paler.

He didn't have any hesitation, turned around and ran away, no longer had any idea of opposing Lin Ziming.

Use the strength of feeding to run as far as you can.

He was terrified and regretted now. He had known that Lin Ziming was so powerful. He didn't fight against Lin Ziming just now!

After Lin Ziming came to the secret realm, things like this had already happened several times, and he was not surprised.

Of course, he wouldn't let the opponent go so easily. It wasn't his tyrannical character, but he felt that there was a fruit in this native strong man, and he had to take it away.

He took a breath, and then his body began to move. It was almost to the extreme, and it was only two or three seconds before he caught up with the indigenous strong, and he directly caught the opponent and said: "Give me the fruit and spare you not to die."

After the aboriginal powerhouse was caught, his face was dusty, he felt that the power gap between himself and Lin Ziming was too huge.

He didn't have the slightest thought of resistance, and quickly gave the fruit in his arms to Lin Ziming.

"Give you to you, baby to you, you must never kill me..."

This native strong man, in front of Lin Ziming, was already frightened into a quail, shivering.

"go away."

After Lin Ziming took the fruit, without hurting the killer, he waved his hand and let him roll.

Obtaining this fruit, Lin Ziming once again had that kind of intense sex. Fortunately, he prepared in advance and immediately entered a super calm state. He closed his eyes and just stood there and let Tuoba Liang didn't know what he was doing.

It wasn't until a long time later that he resisted the terrible sex!

This kind of suffering still had a great effect on his will training. Every time

he passed it, he could feel that his will became much tougher.

Now that he has six fruits, he is still very excited.

Back to Tuoba Liang, he said lightly: "There is nothing wrong, let's go."

"Oh, oh..."

After Tuoba Liang realized what he said, after hearing Lin Ziming's words, he didn't think too much, and left with Lin Ziming subconsciously.

Now he has an indescribable awe of Lin Ziming, and even his posture has been lowered unconsciously.

There is no way, the strength that Lin Ziming showed just now is really too terrifying. In his opinion, the kind of aura that Lin Ziming exudes now is comparable to his senior brother Huangpu Dao... .
