

Chapter: 2266

“In this way, this Lin Ziming is not simple. It is definitely not just an image figure that the world has said.”

“Yes, being able to suppress King Xiaoyao in the secret realm shows that he has real abilities.”

“Moreover, it’s not enough to have real ability. You must have great luck in order to always suppress the teacher Xiaoyao Wang in the secret realm!”

“Could it be that Lin Ziming is also the chosen son of this era?”

“However, Xiaoyao King is already the son of the Chosen. Didn’t it mean that you can only have one son of the Chosen in an era? Now that there are two sons of the Chosen, it’s impossible, isn’t it?”

“Perhaps, Xiaoyao King is not the chosen son of this era, but Lin Ziming is the real chosen son? Have you thought about this?”

“This, this, this is impossible...”

In the martial world, many people have made such a discussion, and they no longer have a contempt for Lin Ziming, because the person who can suppress Xiaoyao King in the secret realm must have their own real ability. However, what made them feel even more shocked was the topic of the Chosen Son.

If Xiaoyao King is not the true choice of heaven, but Lin Ziming is the true choice of heaven, then it is really big news.

At this time, no one dared to despise Lin Ziming anymore, even those old monsters who had been in hiding for a long time, at this time, Lin Ziming was valued enough!

However, soon someone made a different voice, “Huh, you put Lin Ziming in the sky like the sky, and you put him on the same level as King Xiaoyao? Now others still don’t come out, don’t look at him now that he has eight. There is one more fruit than King Xiaoyao, but neither of them have ever met. As long as they meet, they will inevitably fight against each other. At that time, with the strength of King Xiaoyao, will they not be able to crush Lin Ziming?”

Hearing this sentence, many people immediately agreed.

Indeed, if you think about it carefully, although Lin Ziming has collected eight fruits now, one more than King Xiaoyao, after all, Lin Ziming has not swallowed it. And there is no real encounter with Xiaoyao King, who is more powerful, there is still no conclusion.

Moreover, in their opinion, this Lin Ziming must be as powerful as King Xiaoyao. Don’t look at Lin Ziming now with eight fruits, which are more than King Xiaoyao in number, but if they continue to look for it, it will definitely happen. If you encounter it, then a super battle will erupt. By that time, Lin Ziming will probably not be Xiaoyao King’s opponent.

And in this level of super battle, the one who loses means death!

Looking at it now, Lin Ziming is also a super genius, but if Lin Ziming is dead, he is not a genius.

Therefore, after they want to understand this, they still have absolute confidence in King Xiaoyao.

They were worried now. Lin Ziming didn't dare to continue to collect them, so he swallowed these eight fruits, successfully broke through to the realm of the gods, and was repelled to the earth. In this way, King Xiaoyao couldn't help him.

When Lin Ziming returned to Earth, he would really become a super man.

Now they are even more anxious that there is no way to see the scene in the secret realm. If someone can create a live broadcast in the secret realm now, then the box office will definitely sell out!

Just when the whole world was very anxious, suddenly, on a very strange extranet, a news appeared suddenly, and a pop-up window appeared, saying that it could provide a live broadcast of Lin Ziming and Xiaoyao Wang, but Need to charge, the price is 10 million Chinese dollars!

This price can be said to be extremely high.

So at the beginning, there was no reason to think it was a liar, because in their perception, the secret realm was another world, and they were on the earth, how could anyone have the ability to make live broadcasts?

However, soon after a video was released on this mysterious website, it caused an uproar all over the world!

This video is not long, it only lasts two minutes, and the picture is not clear, at most only 360p, but it is still clear to everyone. And the video inside is impressively the video of Lin Ziming defeating Gong Chunqiu and Fat Thin Man with one enemy three!

When this video came out, it immediately caused a tsunami on the Internet!
