Directly boarded the most popular of the day, the website was going to be overwhelmed.

Soon, many people started to pay.

Even at such a high price of 10 million Chinese currency, hundreds of thousands of people pay in a single day, and the value created is even more terrifying!

At the same time, let people know that there are so many strong people in this world, and these strong people are so rich.

“It really is Lin Ziming!!”

There was a roar of anger in the Heaven Killing Sect of the martial art world. They all saw the video, their arrogant womb Chunqiu, in the hands of Lin Ziming, had no room for resistance, and was easily beaten to death.

Their hatred of Lin Ziming can be said to have reached a culmination.

Even many high-level officials are still angry now.

“Outrageous! Outrageous!!”

The elder Taishang was furious, and his originally pale face turned red. Gong Chunqiu was the most genius of Heaven Killing Sect except King Xiaoyao. He was originally given unlimited hope, and was even cultivated. One-term suzerain.

However, he was beaten to death by Lin Ziming in the secret realm!

The video also spread to the whole world, and this time, they lost all the faces of Killing Heavenly Sect!

They could imagine that after this video was circulated, there must be countless people all over the world mocking Tianzong.

Especially in the secular world, it is even more intense.

This is something that is absolutely intolerable to Heaven Killing Sect!

Not only Kunlun, but many high-level officials are now furious and hate them incomparably.

“This Lin Ziming is hateful, too hateful! He must die!!”

“He actually dared to slaughter my Tianjiao who killed the Heavenly Sect in this way. His sin is unforgivable and he must die!”

“Not only does he have to die, but his relatives, his friends, and everyone related to him must die!!”

“Yes, it must be implicated in the nine races!”

Many people are ranting.

Taishang Elder Kunlun saw Tian Jue on the side closing his eyes and said nothing. He felt a little confused and dissatisfied. He hummed and said, “Tian Jue, Gong Chunqiu is your direct disciple, but you just said something. Ah, when did you become dumb!”

Suddenly, all the high-level officials of the Heaven Killing Sect focused on

Tian Jue.

At this time, Tian Jue opened his eyes.
