

Chapter: 2270

He knew that he and Xiaoyao King must have a battle.

In fact, after he heard the name of King Xiaoyao, he was a super arrogant who had been on the top of the immortal list for many years, and was also known as the number one master in the realm of the gods. He knew that between himself and King Xiaoyao, There must be a big battle.

And he, these time, is also always preparing for this battle, today, he finally waited!

In fact, even though he was famous all over the world by crushing Adam, he was always preparing for the battle with Xiaoyao King, because he knew that only Xiaoyao King was his real opponent. . .

At the same time, he is also the most powerful master he has encountered since his debut.

In fact, after he gathered most of China's luck, he was already destined to have a battle with Xiaoyao King.

Originally, Xiaoyao King was the chosen son of this era, which was not controversial.

And his appearance, after he gathered the luck of the Chinese nation, he became the definite number, and he wanted to win the name of the chosen son of this era with Xiaoyao King.

And this day has finally arrived.

He took a deep breath and adjusted his state and mentality to the best, he began to walk in that direction in strides.

He has already sensed it. The remaining fruits are waiting for his arrival in that place. If he can get the remaining fruits, gather ten of them, and swallow them together, then he will surely become the one of this era. Son of the Chosen!

He will completely crush Xiaoyao King.

Similarly, King Xiaoyao is also making such preparations, he is also walking in that direction, and it won't take long before they will meet!

On the other side, Xiaoyao King also paused for a while, adjusting his state on the spot, and soon, he adjusted his state to the best, and then suddenly opened his eyes.

At the moment he opened his eyes, it seemed that the heavens and the earth were a little brighter, the wind and the clouds changed color, and even the many birds and beasts around him were frightened and scattered, as if they felt the extremely fierce momentum and did not dare to stay.

This is the horror of Xiaoyao King.

“Lin Ziming, you are the only one left. This king has already felt that you are not far away.”

Xiaoyao Wang murmured, his face was indifferent, he flicked his fingers, and made the sound of the intersection of gold and stone, “I didn't put you

in my eyes originally, I didn't think of a moment of negligence, so that you have grown up. At this point, you even killed Junior Brother Gong Chunqiu. Since you are so reckless, the king will satisfy you."

After saying this, he no longer walked forward in a leisurely manner, but directly accelerated. With a slam, his body suddenly disappeared from the place, and when he appeared again, he already appeared in a few hundred meters ahead, the speed can be said to be extremely fast, several times faster than the sound!

Like Lin Ziming, when he came to the secret realm, his strength has also improved a lot, especially in terms of courage, heart and lungs, and his strength has increased in a straight line. Now his strength is at least half stronger than when he was on the earth!

Originally, he was an absolutely invincible existence on the earth. Looking at the world, except for the hidden old monsters, few people were his opponents.

And now, on this basis, he has also improved by half, then, how strong is his strength?

Even he himself didn't know how far he was.
