

Chapter: 2273

Xiaoyao King's pace has accelerated a bit, his originally peaceful eyes suddenly sharpened a lot: "Why? Don't you know that he is my junior!"

The corner of Lin Ziming's mouth rose slightly, revealing a proud smile, turning a blind eye to the threat of King Xiaoyao, and then he said a shocking sentence: "So what?"

so what.

This sentence was light and flirty, but the content of it was too heavy. Obviously, after Lin Ziming finished saying this sentence, Xiaoyao King's face suddenly became gloomy.

Throughout the scene, the air solidified, and even the blowing of the wind was gone!

Xiaoyao King stopped and stared at Lin Ziming, "It's been a long time since anyone dared to ignore my majesty like this, Lin Ziming, you are the first!"

Lin Ziming said with a smile, he didn't stop, but continued to walk towards King Xiaoyao, "Really, then I'm really honored."

Those strong people on the earth who watched the live broadcast can't help but admire Lin Ziming's courage now. They dare to talk to Xiaoyao King like this. They are so bold and unsure!

In Heaven Killing Sect, all the disciples and high-level officials were watching the live broadcast. On the island of Heaven Killing Sect, a huge screen appeared, and everyone could see the live broadcast in the secret realm.

When they saw that Lin Ziming was so arrogant, they couldn't help cursing. "This Lin Ziming is simply not knowing whether to live or die, looking for death, looking for death!!"

"Bold and reckless, even if you killed Brother Gong Chunqiu, you still dare to be so arrogant in front of Senior Brother Xiaoyao! It's a pity that I am not in a secret realm, otherwise I must take his life!!"

"Hateful, too hateful! We Kill Tianzong, as the number one sect in the world of martial arts, with the highest strength in the world, when have we been so angry! This Lin Ziming must die!!"

"Hmph, he must be dead, and he will be beaten to death by Senior Brother Xiaoyao soon! Even if he dies, we can't make him so cheap. When we attack the secular world, we find Lin Ziming's family and friends, and even the Nine Clan Anyone who has anything to do with Lin Ziming must die! Males kill, females, humiliate to death. Especially Lin Ziming's women, they are humiliated in every possible way to relieve their anger!"

"Yes! We must avenge Senior Brother Gong Chunqiu!"

At this moment, the inside of Killing Tianzong was all indignantly cursing, and the hatred towards Lin Ziming was extremely strong.

In addition to Killing Tianzong, he also believed that Lin Ziming was dead

this time, not only would he die, but even his relatives and friends would be implicated.

And Killing Tianzong, that is not an ordinary school.

Xiaoyao Wang frowned, and suddenly laughed, “Lin Ziming, you are very courageous. Originally, I think you are also a super arrogant. You are the only one who can be at the same level as me in this era. , I intend to leave you with a whole body, but unexpectedly, you actually did this to death. If so, then I will cut you eight pieces. And, after my four major sects attack the secular and bloody China, I I will find all your relatives and friends, strain! Lian! Nine! Clan!”

Speaking of the last sentence, he almost jumped out of his teeth, and the murderous intent on Lin Ziming had reached a point where it could be condensed into substance!

Lin Ziming only raised his brows. He was not afraid of King Xiaoyao’s threat, but he was still angry. He looked at King Xiaoyao, then extended his thumb, and then slowly down... .
