

## Chapter: 2275

After the black and red gas spread to the ground, it actually caused the vegetation and plants on the ground to wither instantly, and the picture was extremely strange and terrifying.

Those who were watching the live broadcast shuddered when they saw this scene!

There is no way, the current Xiaoyao King, it seems to be too terrifying, completely beyond their ability to bear.

Anyone can know that Xiaoyao King is really angry at this moment.

Within the Killing Heaven Sect, they were also in silence now, and they all looked at the Xiaoyao King on the screen.

“Senior Brother Xiaoyao was furious, he did not hesitate to inspire the gods and demons. He wanted to kill Lin Ziming in an extremely cruel way!!!”

“Okay! Great! That’s how it should be! This Lin Ziming is really too arrogant, too arrogant, and should be brutally killed!”

“Brother Xiaoyao!”

“Brother Xiaoyao!”

“Brother Xiaoyao...”

In the Heavenly Killing Sect, everyone was cheering for King Xiaoyao at the beginning, and they cheered, thinking that Lin Ziming must be dead this time.

Because they knew King Xiaoyao, and knew that King Xiaoyao was really angry this time, and moved a real murderous intent.

The devil technique is an extremely powerful technique in the Heaven Killing Sect. Once activated, one’s own strength will increase a lot in a short period of time.

And he will also enter a violent state, and any opponent who stops in front of him will be brutally torn apart.

Moreover, this kind of exercise has a very high threshold and requires extremely talented people to successfully practice. Therefore, in the entire Heaven Killing Sect, there are very few people who can cultivate this exercise to home, and Xiaoyao King is one of them.

However, they have never heard of anyone who used this trick to Xiaoyao King, because Xiaoyao King is too strong, and all the hands that stop him in front of him can’t make him use this trick.

Now Lin Ziming is the first and only one.

“not good!”

In Yandu of China, Huangpu Dao and Tuoba Liang are also watching this live broadcast. When Huangpu Dao saw Xiaoyao Wang used the magic technique at the beginning, his face changed drastically, “Xiaoyao Wang” He actually used the magic technique so quickly! He was determined to kill Instructor Lin! Now instructor Lin is in danger!”

There was also a solemn and worried expression on his face, thinking that Lin Ziming was dangerous this time, and it was very likely that he would be folded on King Xiaoyao's body.

Even Tuoba Liang's expression changed drastically at this moment, his lips trembling twice, and he said, "This Xiaoyao King actually used the magic technique directly. He doesn't intend to give Lin Ziming any way to survive! What can I do now? It's good to do it! Hey, Lin Ziming is really good too, so well, why do you want to humiliate King Xiaoyao like this? This is blocking his own way!"

When the others heard it, they were extremely worried, but they didn't know the power of this magic technique, so they asked curiously. When they heard it from Huangpu Road, they were all ashamed, thinking Lin Ziming. This time it was dead.
