

Chapter: 2277

As for King Xiaoyao, his black and red gas was also transformed into a huge poisonous snake, and his mouth was also opened wide. He wanted to swallow the dragon shape transformed by Lin Ziming, and at the same time he sent out a poisonous snake. The voice sounds terrifying and hairy.

However, it was obviously Lin Ziming's dragon-shaped gas that had the upper hand. Soon, Lin Ziming's dragon-shaped gas continuously swallowed Xiaoyao King's poisonous snake gas.

It can be seen that when King Xiaoyao was about to lose, soon, the black-red gas of King Xiaoyao changed his body, and it changed into a form similar to a farmer. He stretched out his hands and strangled the dragon. Seven inches from the shape, and then the dragon-shaped gas actually seemed to be caught by the weak ribs, and it began to loosen up.

Then Xiaoyao King's black and red gaseous state began to counterattack, swallowing it towards Lin Ziming, and immediately gained the upper hand!

At the same time, Lin Ziming's white gas soon began to transform into the shape of a tiger, directly biting the farmer's thigh that Xiaoyao King's black-red gas had turned into, and biting off the farmer's thigh!

The two gases constantly transform and collide, and the two don't want to give up, but they are evenly matched.

This scene fell in the eyes of the strong people watching the live broadcast on the earth, and it became a kind of shock and reconciliation. They didn't understand why Lin Ziming could protest against Xiaoyao King in court. This is impossible!

Especially for those disciples in the Killing Heaven Sect, that is even more unacceptable.

"I, I'm not mistaken, Brother Xiaoyao's magic technique was actually blocked by this damn Lin Ziming? This is impossible!"

"Yeah, doesn't it mean that Senior Brother Xiaoyao is invincible? Especially Senior Brother Xiaoyao's magic technique is our unique knowledge of the Slayer of Heaven. How can we fail? How can we not get Lin Ziming!"

"It must be Senior Brother Xiaoyao who is not doing his best, yes, it must be so! Senior Brother Xiaoyao is going to slowly kill this damn Lin Ziming!"

"Yes, it must be like this! Our Senior Brother Xiaoyao is invincible. When Senior Brother Xiaoyao returns from the secret realm, it won't take long for him to become the number one power in the world. Then it will be the time when our Heavenly Slayer King will come and dominate the world. Up!"

After they motivated each other in this way, they soon began to have confidence in King Xiaoyao. In their opinion, their senior brother Xiaoyao was absolutely invincible, and it was impossible not to be Lin Ziming's opponent.

On the Hua country side, the Chinese compatriots who were originally worried, and even had begun to be a little desperate, saw that Lin Ziming was able to compete with Xiaoyao King evenly, and the original nervous mood immediately relaxed more than half!

They have already put all their hopes on Lin Ziming. If Lin Ziming really loses, then it will be a huge loss for China. This is something that they cannot accept!

On the side of King Xiaoyao, he himself felt a little surprised. Now that he has directly used the magic technique of God and Demon, how can he live in Lin Ziming? This is really beyond his expectation.

However, he soon calmed down, because his assassin was far more than that! !

“Lin Ziming, your death date is today.”

Finally, he adjusted his state to the best, and then he directly rushed to Lin Ziming, about to take action against Lin Ziming.
