

Chapter: 2279

The power of Xiaoyao King is too great, and the moves are extremely delicate. In front of him, Lin Ziming only felt that he had nowhere to hide, and all his thoughts and thoughts were seen thoroughly by Xiaoyao King! This feeling is indescribable, as if he has a little secret in front of Xiaoyao King.

Especially, when he raised his head and faced the eyes of Xiaoyao King, his heart trembled even more.

From these eyes of Xiaoyao King, he saw purgatory, saw death, saw the biting coldness, and saw countless bones.

He knew that they were all enemies killed by King Xiaoyao, turned into bones and souls, and they were condensed into his own spirit by King Xiaoyao. Once activated, they could bring extremely strong oppression and influence to opponents.

This is the first time that Lin Ziming has fought with King Xiaoyao. Facing the weirdness that King Xiaoyao showed at this moment, he couldn't help but appear flaws.

“Lin Ziming, you are defeated.”

The corner of Xiaoyao King's mouth rose up, showing a disdainful sneer, and then he launched a fierce attack on Lin Ziming, with an extremely tricky angle, and the speed can also be said to be fast to an extreme level. The most important thing is that it is Lin Ziming. A place that can't be defended! !

There was a “bang”.

Lin Ziming snorted, his figure was blown out by the punch of Xiaoyao King! At the same time, blood began to flow from the corner of his mouth.

Within a minute of this match, Lin Ziming took a punch from Xiaoyao King and was also injured!

This shows that the strength of Xiaoyao King is already so powerful!

Lin Ziming was injured in one face-to-face encounter!

Xiaoyao King didn't have the chance to pursue the victory. After he injured Lin Ziming with one blow, he stopped and looked at Lin Ziming with one hand on his back, with a disdainful smile on the corner of his mouth, “Lin Ziming, you should never do anything. Be, against my Xiaoyao King, today is your death date.”

Lin Ziming didn't say anything. He fixedly looked at King Xiaoyao and wiped the blood that leaked from the corner of his mouth. There was already seriousness in his eyes.

“King Xiaoyao, I underestimated you. I didn't think of your strength, you are already so powerful!”

Lin Ziming said in a deep voice.

On the earth, there are so many powerful people watching the live broadcast in front of the computer, and they all took a sigh of relief when they saw this

scene.

I was shocked and in deep awe for the strength of Xiaoyao King.

Even some old monsters that have been hidden for a long time, their faces are full of dignity at this moment, looking closely at the Xiaoyao King on the screen.

But isn't it? The strength demonstrated by the Xiaoyao King just now is really too terrifying, and it has greatly exceeded the power that can be possessed by the Half-Step Tongshen Realm!

In the picture, although Lin Ziming and Xiaoyao King only fought for less than a minute, the nearby forest, ten miles around, has become a ruin. Many beasts that were too late to evacuate have died tragically, with corpses all over the field.
