

Chapter: 2283

Don't talk about them, even King Xiaoyao frowned now, and he didn't quite understand why Lin Ziming became troublesome so quickly.

How powerful the punch just now is, he himself knows very well, even if a powerhouse of the God-passing realm has suffered this punch, he will definitely not be able to stand it.

And Lin Ziming actually erased it so quickly?

Yes, it gave Xiaoyao King the feeling that the injury he imposed on Lin Ziming's body was as if it had been erased by Lin Ziming using some strange technique. This is simply unscientific!

However, Xiaoyao King is ultimately a super strong man who has experienced many battles. His mentality has been so strong that an ordinary person can't understand it. Even if he sees Lin Ziming's unscientific things now, he is only slightly surprised. , And don't take it to heart.

He just faintly snorted and said: "Huh, pretending to be a ghost, no one knows the weight of the punch just now. No one knows better than me. You are just using certain techniques to erase your injury. You think Can you fool me? Lin Ziming, you must die today!"

After saying this, King Xiaoyao shot Lin Ziming again, and yes, his speed reached an extreme level. Even in broad daylight, he couldn't see his movement, as if he was out of thin air. Disappearing, like moving instantaneously, when he reappeared, he was already in front of Lin Ziming.

Moreover, this time, his aura was even greater, as if sweeping the stormy waves. Behind him was a turbulent ocean, covering Lin Ziming severely, let alone people, even a city. , Will be drowned and drowned, thousands of lives will die.

Even in front of the computer, the people watching the live broadcast are now shocked, and once again they have a new understanding of how powerful Xiaoyao Wang is.

As the person involved, Lin Ziming did feel the unprecedented pressure. In his spiritual world, for an instant, he felt that he was not facing the Xiaoyao King, but the tsunami, a fierce ocean. Coming towards him, trying to cover him up!

This kind of momentum is really terrifying, Xiaoyao Wang is indeed a super arrogant who has been on the top of the immortal list for many years, and is also known as the chosen son of this era by the whole world. His strength is really not to be underestimated.

Even Lin Ziming was shocked when facing such a terrifying attack by King Xiaoyao in such an instant.

However, that's all.

Lin Ziming now had a good grasp of Xiaoyao King's martial arts, and he had a clearer understanding of Xiaoyao King's combat power.

Therefore, facing the offense of Xiaoyao King once again, he already has a clear understanding and preparation, and he will never be as hasty as he did at the beginning.

His pupils quickly turned pale at a speed that the naked eye could not catch. Then he faced the attack of Xiaoyao King, and did not dodge like before, but chose to counterattack with Xiaoyao King!
