

## Chapter: 2286

At this moment, Xiaoyao King was really shocked by Lin Ziming. Because he knew the power of the punch he had just now, and it still hit Lin Ziming firmly. Lin Ziming was able to carry it down, but he had no direct serious injury and lost the ability to move. It was already very rare. To say that Lin Ziming didn't suffer any injuries at all, then he would definitely not believe it.

However, the facts are set in front of him. The current Lin Ziming's strength really seems to be unscathed. There is nothing at all, the strength is very fierce, and there is no sign at all. Having said that, and why is it more fierce than before the injury? !

But isn't it? The current Lin Ziming seems to be a different person, so suddenly that he feels some pressure on Xiaoyao Wang.

This is a very incredible thing, so even the King Xiaoyao is now shocked. However, after all, King Xiaoyao is a man with a long history of battles and extremely strong psychological quality. Although he has doubts in his heart, there is no state that affects him in the slightest.

In his opinion, the reason for Lin Ziming's performance was definitely because Lin Ziming had launched some secret method to overdraw his potential, otherwise it would not be possible to make it more fierce.

And this kind of exercise must have huge drawbacks. In such a high-intensity battle, Lin Ziming will definitely not be able to hold on for long!

Xiaoyao King can be sure of this.

Indeed, it was really guessed by Xiaoyao King. The reason why Lin Ziming is more fierce than just now is because he stimulated his potential and developed a strength of one hundred and twenty.

However, King Xiaoyao was wrong. For Lin Ziming, this kind of technique did not have too many drawbacks. Moreover, he was able to support it for a long time, long enough to defeat King Xiaoyao!

"Xiaoyao King, you should have beaten me to death just now. It's a pity that you are too arrogant. Do you think you have a chance to win and want to play a cat and a mouse? It's a pity that you are wrong this time. You gave me a turnaround. opportunity."

Lin Ziming launched a fierce attack on King Xiaoyao, while still being able to easily say that there was no embarrassment at the beginning of the battle. On the contrary, the embarrassed person became like King Xiaoyao.

Xiaoyao Wang felt this, and his face was gloomy to an astonishing level.

He had never imagined that Lin Ziming could still have such a hand, which was beyond his expectation!

Even at that instant, he had a thought of regret. He had known that Lin Ziming was so tenacious and that the centipede was dead but not stiff. He

shouldn't have stopped just now and gave Lin Ziming a chance to be arrogant! !

Although this thought of him was only a flash, it was still caught by Lin Ziming. Lin Ziming smiled and said, "Why, Xiaoyao King, is your will at this level? I just said two things. So, are you really shaken? Xiaoyao King, I think you are nothing but that."

After hearing this sentence, King Xiaoyao's face became even more ugly, and he snorted heavily, and said, "Lin Ziming, you are dead. Today is your death date. You think you are like a three-legged cat. , Can it pose a threat to this king! This king is just playing with you!"

When Xiaoyao King said these words, it seemed as if the thunder was landing, rumbling, a huge sound wave, launched from his mouth, like a lion roar skill, capable of blowing Lin Ziming's hair up. , It can be seen how huge the sound is. .

If you change an ordinary person, facing such a huge sound wave of Xiaoyao King, you will have to pierce the eardrum directly, bleeding from the seven holes and die.
