

Chapter: 2288

“Hahaha! Instructor Lin! What an instructor Lin! He actually suppressed King Xiaoyao. It’s amazing! It really doesn’t live up to our expectations of him!”

“Yeah, yeah, too cool, too cool! Instructor Lin really deserves to be the savior of our Chinese nation, and deserves to be the genius who has condensed the luck of our Chinese nation, good, good!”

For a while, the original solemn atmosphere in the entire conference room suddenly became relaxed, and many of them were smiling again.

For them, Lin Ziming was able to reverse the defeat. It was really exciting. It was even more exciting than if they played in person!

Shangguan, who was already a dignified and stalwart, stood up abruptly after seeing this scene, and laughed a few times, “Good, good! What a teacher Lin, what a unicorn! Sure enough, he did not let us down. His expectations! When Lin Ziming returns, he will be our hero and our new patron saint!”

This sentence was uttered from Shangguan Wei An’s mouth, but the weight was completely different. For a time, all the people in the conference room looked at him.

Shangguan Wei’an finally reacted. He actually said what was in his heart just now under the extremely excited situation. In his capacity, this sentence can’t be said nonsense.

However, there are no people who oppose or question him, because they also think that if Lin Ziming smoothly emerges from the secret realm, he must be a strong man in the god-passing realm, and he is also a top-notch strong man in the god-passing realm. The current military god Huangpu Road must be even more powerful.

It was a matter of course for Lin Ziming to become the new patron saint of China.

However, they still couldn’t help looking at Whampoa Road. Seeing Whampoa Road, they didn’t feel any strangeness or dissatisfaction. Instead, they continued to smile. They still breathed a sigh of relief and admired Whampoa Road.

As for Shangguan Shuyao, a smile bloomed on her face and her eyes became brighter. For her, the more powerful and dazzling Lin Ziming, the happier she would be. This shows that, Her vision is excellent, and she also enjoys it, she is very happy to see Lin Ziming ascend to the top of the world! It can be said that the whole China, all the strong who are watching the live broadcast, are now shocked and can’t help but feel happy.

At the same time, in a villa in Hwaseong, several people were watching the live broadcast.

These are several women, among them are Chu Fei, Tao Sanniang, Ni

Chang, and Lin Ziming's mother Qin Huayue.

They have also been qualified to watch the live broadcast, and are gathering to watch the live broadcast on it fascinated.

“Great, Ziming has no defeat, but he has the upper hand! Let me just say it, Ziming will definitely not let us down!”

Tao Sanniang called out excitedly.

The other three women were also obviously relieved.

They are the closest people around Lin Ziming, and naturally they are most concerned about Lin Ziming.

Especially Chu Fei. She had already clenched her fists and her back was wet with cold sweat. Now that Lin Ziming was out of danger and still had the hope of winning, she immediately breathed a sigh of relief.

However, just as she breathed a sigh of relief, she suddenly felt her heart twisted, giving out a severe pain. It was too strong, and she couldn't help but let out a painful muffled sound. Humph, “Hmm!!”

Because they were all attentive and looking at the screen tightly, they didn't even notice that Chu Fei was wrong at the moment.

And Chu Fei also gritted her teeth and supported it hard!
