

## Chapter: 2291

“Stupid boy! What are you talking about? What does it mean that you can’t save you! No matter what happens, Mom will do everything possible to save you back!” Qin Huayue said angrily.

Nishang also spoke at this time, “Chu Fei’s situation is indeed not like being sick, it is more like an unknown force, drawing her life.”

Then, she looked at Chu Fei and asked: “Fei Fei, what happened, you have to tell us.”

Chu Fei just kept silent, and insisted on saying that she was tired and just rested. However, they are not fools, so naturally they would not believe what Chu Fei said.

At this time, Nishang found something and said to Tao Sanniang: “Sanniang, you seem to know something, let you tell us.”

Chu Fei looked at Tao Sanniang, obviously asking Tao Sanniang not to speak out. And Tao Sanniang bit her lip, and finally she decided to say, “That’s it, Feifei started some time ago...”

Next, Tao Sanniang told both Qin Huayue and Nishang about Chu Fei’s nightmares, including Chu Fei’s true identity!

When Qin Huayue and Nishang listened to them, they were shocked, and they opened their eyes involuntarily, especially Qin Huayue said angrily: “Feifei! Why don’t you tell me such a big thing has happened? Mom! You are, let Mom how to say you are good, how to say you are good!”

Nishang frowned and said, “Feifei, who is the father you are talking about? Why can he not find you, but can affect your body?”

This is something that Nishang can’t understand. Since Chu Fei is already lost, her father doesn’t know Chu Fei’s location. How could Chu Fei’s biological father affect Chu Fei’s body?

However, Chu Fei did not speak, but closed her mouth, lowered her head, and fell into silence.

Tao Sanniang looked anxious and said, “Oh, Feifei, when is this? You are still hiding it, please tell aunt and sister Nishang!”

Qin Huayue also said: “Yeah, Feifei, you can tell me quickly, we are a family, if you have any difficulties, we should carry it together! Besides, Ziming will soon come out of the secret realm, and wait for him to leave the secret realm. After you come out, you will be a powerhouse of the God-Throughout Realm, no matter how powerful your father is...”

However, when Qin Huayue said this, she was interrupted in a panic by Chu Fei, “You can’t tell Ziming! Don’t tell Ziming, he...ah!!!”

Chu Fei didn’t finish her words. Suddenly there was pain on her face, and she hugged her head with a very painful look and tortured.

And with her appearance, Qin Huayue hugged Chu Fei hurriedly.

“There is nothing wrong with Feifei, there is nothing wrong with Feifei,

mom is here, mom is here.” Qin Huayue continued to comfort Chu Fei. When Tao Sanniang saw this situation, her tears kept streaming out. After so many days of getting along, she and Chu Fei had already become good sisters with deep feelings. Although their identities were rather embarrassing, this was not true. The slightest impact on their feelings, on the contrary, it makes their feelings stronger, because in essence, they are very kind and generous women. But now, Tao Sanniang is really uncomfortable seeing Chu Fei like this.
