

## Chapter: 2293

Nishang didn't speak, but through her cold expression, it could be seen that she was also standing with Qin Huayue.

It's just that, Chu Fei became even more anxious. She was so anxious that she was about to cry, "Mom, Sanniang, sister Nishang, you go, go, I'm not kidding you, my father, he Unlike other fathers, he is cruel, he..."

At this moment, all of a sudden, everyone heard a light and fluttering voice in the corridor at the door, "My dear daughter, you have not seen as a father for so many years, how can you say bad things about being a father behind your back." "

This sentence appeared suddenly, obviously separated by a door, but the sound seemed to appear in the room, and it sounded extremely weird.

After Nishang heard it, all the goose bumps on her whole body stood up.

Here, she is the highest person in martial arts, and she can feel it all at once, Chu Fei's biological father, martial arts has reached a state of extreme horror!

Obviously, she had heard the voice, but she still couldn't feel the breath of the other party, and this voice seemed to appear out of thin air in the room. However, this room is clearly sealed.

This means that Chu Fei's father's realm is at least above the god-passing realm!

Master of the God-passing realm, how rare this is, and what a superior existence!

Looking at the whole world, there are not many masters of the gods, and Chu Fei's biological father is actually a master of the gods? This is too weird!

This kind of thing, even for neon clothes, is a bit unacceptable for a while.

But for Chu Fei, when she heard this voice, her body shook suddenly, and the panic on her face became more serious. Her body lost her strength, and she couldn't stand still.

Qin Huayue was the calmest one. Her face sank, and there was no panic in her eyes. On the contrary, she was more angry.

No matter who Chu Fei's father is and what realm he is, that is the point, as a father, he still embarrassed his daughter in such a way, even torture! Then this father is not worthy of being a father, not worthy of being a man!

She was going to see how sacred it was!

"He's here, he's here! He's here! This time is not good, it's not good...I'm the one who hurt you, I'm sorry, I'm the one who hurt you, I should leave early, woo Woo..."

Now, Chu Fei's face was covered with tears, full of guilt and regret. In her opinion, it was she who killed Qin Yuehua, Tao Sanniang and Nishang. This was the most painful thing for her!

Qin Huayue grabbed her hand and said firmly: “Fei Fei, don’t worry, there will be nothing wrong with mother, nothing will happen...”

However, Chu Fei just shook her head, her face was full of panic and regret, and she kept crying.

It was at this moment that the door was pushed open. Under the light of the corridor, there was a tall black shadow that shone into the room. People still didn’t appear. They just heard the sound of footsteps, giving people a kind of It feels terrifying.
