

Chapter: 2294

Hearing this sound of footsteps, the three people in the room immediately became uncontrollably nervous, as if these footsteps were stepping on their hearts all at once, causing tremendous pressure on them, even Qin Huayue Unable to be calm.

For Chu Fei, it is even more a reminder. Now her body is trembling very much, her face is already a little bit of bloody, and it has even become ashen. It can be seen that she is now What a tremendous amount of pain and torment he has endured!

“Run! Run! You guys run...”

Even if she was so frightened, Chu Fei bit her tongue tightly, forced herself to wake up, stay calm enough to make them run quickly.

However, at this time, how can they run?

Qin Huayue's gaze became firm, and she firmly grasped Chu Fei's hand, and said, “Fei Fei, don't worry, there is a mother here, and no one can take you away.”

Tao Sanniang also said: “Yes, Feifei, don't worry, we will definitely protect you.”

Although Nishang did not speak, her expression already expressed her meaning, she would advance and retreat with Chu Fei, and would not run away.

Chu Fei was extremely moved when she saw them, but it also made her even more anxious and even more guilty. In her impression, although she had never met her biological father, However, from her memory of inheritance, knowing her father is not a good thing!

She has found her position this time, and it will definitely not be that easy to talk.

In fact, she was ready to be taken away by her father, but she could not accept the things she had implicated on the people around her!

Especially those who are close relatives, if Qin Huayue and Tao Sanniang, sister Nishang really have an accident and are implicated by her, then how can she explain to Ziming!

But at this time, she also knew that no matter what she said, the three of them would not leave. The only thing she could do now was to desperately keep the three of them!

After making this decision, she quickly recovered her composure, took a deep breath, and her eyes became firm.

Soon, as the footsteps got closer and closer, the dark shadows at the door became clearer and clearer. Finally, everyone saw Chu Fei's biological father.

This is a middle-aged man wearing a white Hanfu. He is tall and has white skin, and his whole body reveals a kind of refined aura.

At first glance, this middle-aged man looks very ordinary, just like an ordinary middle-aged man doing business in society, but if you look closely, you can see how extraordinary this man is, especially the other person. The eyes are full of endless depth and vicissitudes, as if the entire universe is in his eyes!

After Nishang saw this person, she immediately opened her eyes, and the muscles all over her body were suddenly tight! At the same time, the body trembled fiercely, and at the same time he opened his mouth wide, with an unbelievable look!

Because she has seen this middle-aged man, isn't he the Sect Master of the Heaven Killing Sect, Tian Jue!

He is actually Chu Fei's biological father? !

To be honest, even if she has seen it now, she still finds it difficult to accept it. For a while, her mind is clouded. She never thought that Chu Fei's biological father was actually the sovereign of the Heavenly Killing Sect!

You know, this is a super man!
