

Chapter: 2299

As for Tao Sanniang, she now saw Tian Jue's reaction, and her first consciousness felt that she had made a mistake, and she also remembered that Chu Fei once confessed to her, she must not say Lin Ziming's identity. , Otherwise it will be counterproductive. It's just that under the circumstances just now, her brain heated up and she couldn't help but speak out.

However, she quickly regained her composure, because in her opinion, although Tian Jue is very powerful, Lin Ziming is definitely not worse than Tian Jue. In her mind, Lin Ziming is the best in the world. No one can compare to Lin Ziming, a powerful man. And with Lin Ziming's strength, Chu Fei can definitely be rescued!

So she took Chu Fei's hand and continued: "Fei Fei, don't be afraid, just say it, what's the big deal. You are Ziming's wife. Now Ziming has gone to the secret realm and waited for him to come out. After that, you will be a master of the God-Through the God Realm. Even if your father doesn't make sense anymore, he can't help but give Ziming face!"

When Chu Fei heard this, she had a headache even more.

"Sanniang, don't say it anymore! You remembered it wrong. Lin Ziming and I have no relationship at all. Now you leave me, leave immediately, don't be hypocritical here, I have never regarded you as a sister. Look at it!" Chu Fei said deliberately.

When Tao Sanniang heard this, she was stunned and said, "What? Feifei, what did you say?"

Chu Fei forcefully said: "I said you hurry up and don't be pretending to be here! I didn't belong here, I am leaving now."

Then, she walked directly to Tian Jue and said, "Father, my daughter will follow you now."

When Tao Sanniang saw this scene, she was already stunned, because she didn't even think about why Chu Fei would say such a thing, this was not the Chu Fei she knew at all!

However, just when she took a step and was about to say something, she was caught by the neon clothes and gave her a look.

Qin Huayue stood up and said neither humble nor arrogant: "Sect Master Tianjue, since Feifei is your daughter, it is natural for you to come here to admit your relatives, but Feifei is also my Lin family's daughter-in-law. I hope you don't embarrass her."

Hearing these words, Chu Fei was very anxious, and when she was about to speak, Qin Huayue gave her a look and told her that she would not stand by and watch this matter.

Chu Fei didn't know what to do about it, and she was not stupid, knowing that with Tianjue's IQ, she definitely wouldn't be fooled.

Thinking of this, she had to sigh heavily, very helpless.

Finally, at this time, Tian Jue began to speak.

“Hahaha, Lin Ziming, it’s Lin Ziming!” Tian Jue burst into laughter, but although he laughed loudly, there was no half of a smile on his face, and even his eyes were very cold. , His appearance, looks very frightening.

“What a Lin Ziming! This seat is Wan Wanwan who thought that the person who married my Tian Jue daughter would actually be Lin Ziming!”
