

Chapter: 2301

There is such a coincidence.

And Tao Sanniang was also pale, realizing that she had really made a mistake.

Just at this time, the computer on the desk was still playing a live broadcast, and I heard the sound of their fighting, as well as the dialogue between Lin Ziming and Xiaoyao King.

Xiaoyao King: "Impossible! Lin Ziming, how can your strength be so superb!?"

Lin Ziming: "Xiaoyao King, there is nothing impossible in this world. You think you must win. Why don't I think so? You have fallen into a disadvantage now. If you insist on not in the afternoon, within a thousand moves, I will defeat you!"

Xiaoyao King: "Lin Ziming! You want to defeat me within a thousand moves? wishful thinking! You were hit by me just now, and there must be serious injuries. I must be able to find your flaws! Today, it must be your death date! Just let it be. Your corpse, become my stepping stone to the God Realm!!!"

Then, there was another violent collision, and the two of them turned upside down in the secret realm, extremely terrifying.

However, for Tian Jue, he heard these conversations and saw his most proud disciple Xiaoyao Wang. He was actually suppressed by Lin Ziming, and the corners of his mouth couldn't help. He convulsed fiercely, making him extremely annoyed and angry. At the same time, murderous intent filled the entire room, causing the temperature in the room to drop a lot!

"You guys, die..."

After saying this, Tian Jue's murderous intent can be said to have reached a strong point, and then he was ready to make a move.

At this critical moment, Chu Fei spoke, and she knelt directly in front of Tian Jue, hugged Tian Jue's thigh tightly, and said pleadingly, "Father! You can't kill them!"

Tian Jue coldly scolded, "Nizi, get out of here!"

"No, I won't get out! Father, if you really want to kill them, then you won't get my aura, I will commit suicide in front of you!" Chu Fei said firmly.

After that, the vitality in her body was actually weaker, as if she was going to die at any time.

After seeing this, Tian Jue immediately threw a rat-injury device, and his pupils shrank deeply, "Nangong Wuxia, you are so bold! Are you trying to fight against your father!"

Whether it's Tao Sanniang, Qin Huayue or Neon Clothes, seeing what Chu Fei looks like, their hearts are deeply touched.

But Chu Fei didn't give the slightest retreat. She opened her eyes wide and

said firmly: “Father, I didn’t joke with you. I know you just want my aura. If I die, there will be no aura. Now, your planning for so many years will disappear, so father, don’t force your daughter...”

Tian Jue was very angry, very angry. He never thought that the daughter he gave birth would actually threaten him like this one day!

Although he knew that killing the three women in the room was a very simple matter, and Chu Fei could never stop it.

But he also knew that once he did this, his daughter would definitely be in front of him!

Moreover, the way Chu Fei extinct herself was something he couldn’t stop!

This makes him extremely angry and annoyed, but there is no other way!

He stared at Chu Fei and saw the determination in Chu Fei’s eyes. After some weighing, he had no choice but to agree.

“Okay, I promise you for my father.”

After saying these words, he finally took a deep look at Chu Fei, carrying Chu Fei, and in an instant, he disappeared in front of everyone.
