

## Chapter: 2302

Chu Fei was taken away.

After several seconds, the three remaining people in the room reacted.

Then, Tao Sanniang directly cried. She and Chu Fei have developed a very deep relationship. Although their identities are sensitive, she really treats Chu Fei as a sister. Now Chu Fei is taken away. Now, she only felt that her heart was lost.

Especially, once she thought of how sad Lin Ziming would be when she knew this message after returning from the secret realm, her tears couldn't stop flowing down.

And Qin Huayue's face is much paler now, what happened to her today was too sudden and too hasty, so she didn't have the slightest preparation!

Moreover, the opponent is still the Tian Jue of the Heavenly Killing Sect, who claims to be a super figure standing on top of the world. For such an opponent, even the Luo Tian faction is absolutely unable to contend.

"Oh..." But fortunately, her psychological quality is very strong. In the past few years, she has experienced strong winds and waves, so she quickly calmed down. After sighing heavily, she confronted Tao San. Mother said: "Sanniang, you know the ins and outs of this matter, right? Why didn't you tell us in advance?"

Tao Sanniang said with tears: "It was Feifei who told me not to say it, and at first, I didn't even think that Feifei's father actually existed like this...Auntie, what should I do now? Feifei was taken away. When Ziming comes back, how should we explain to Ziming?"

After hearing these words, Qin Huayue sighed heavily again, and her face became even more gloomy. If it were for another person, she would still have the confidence to rescue Feifei, but this person is heaven. Absolutely, it is a great power that even Saint King Luo Tian dared not easily provoke, how can she be able to do it right?

Nishang said: "How could Feifei's biological father be Tianjue? I have never heard of this in these years! Besides, if Feifei is really Tianjue's biological daughter, with the energy of Tianjue, How did you let Feifei fall into the world?"

This is also a question Qin Huayue can't understand. According to Tian Jue's character and energy, such a thing shouldn't happen, but, suddenly, she thought of something and suddenly asked: "Neon clothes, a while ago, The Luotian faction was attacked by the Heavenly Killing Sect. It seems that the Heavenly Killing Sect said that their suzerain's daughter was robbed by our Luotian faction?!"

After hearing this sentence, Nishang was taken aback for a moment, and then became excited, "Yes! There is this, Auntie, you mean, this daughter is Feifei?"

“It’s possible!” Qin Huayue said seriously.

Then she immediately became distressed again. This is not easy to deal with. Looking at Tian Jue’s attitude just now, it is obvious that she is not good to Feifei. Taking Feifei away, I am afraid there is some hidden secret!

Thinking of something, she said again: “You must not tell Ziming about this matter! If he knows about it, he will definitely kill the Heavenly Killing Sect, and it will be a dead end then! So this matter must be matched. Ming confidential.”

After Tao Sanniang and Nishang heard this sentence, although they were sad, they agreed with this point of view. Then, they couldn’t help but looked at the computer on the table. There, there was a live broadcast of the fight between Lin Ziming and Xiaoyao Wang. Picture.

Speaking of it, Lin Ziming and King Xiaoyao have been fighting for a long time, but they still have no clear winners or losers. You can see in the live broadcast that there is already a Shura field inside, with various destructions and various collapses. It was as if the whole land had been rolled over.

And the range of tumbling is extremely wide.

Yes, the battle between Lin Ziming and Xiaoyao King has entered a white-hot stage.
