

## Chapter: 2309

Lin Ziming seemed to be crazy. He kept walking forward, grabbing the fruit in front of him, and then threw it directly into his mouth. Like eating jelly beans, he chewed directly and turned it into a strong smell. Energy, in your own body!

His action was really crazy, and in a while, he actually ate a full eighty-five fruits!

And his stomach also began to bulge.

The whole person showed a bright red color, as if he was about to explode at any time. He was originally slender, but now he has also become a big fat man.

But even so, he continued to swallow, ninety, ninety-five, one hundred...

Finally, when he swallowed a hundred pieces, there was a bang! ! !

On earth, the only two people who could still see this scene, the armored man and the princess, were also shocked by his action!

Especially the armored man, now he just opened his eyes wide, and said in disbelief: "This Lin Ziming, he, is he crazy?"

The princess did not speak, but her dilated pupils and slightly opened small mouth could also be reflected, and she was also shocked now.

She has lived for so long, met so many geniuses, and has never encountered someone as crazy as Lin Ziming!

Swallowing a hundred fruits directly, this is too cruel!

Originally in her opinion, Lin Ziming was mostly afraid of taking risks, and would choose to swallow ten fruits and it would be over.

Even if Lin Ziming really dared to take risks, it would be almost enough to swallow a dozen or so, no matter how much he could bear.

Because after swallowing ten fruits, each additional one will be a huge exercise on the will of the brain.

Ordinary geniuses can't resist it when they eat fifteen.

But as a result, Lin Ziming swallowed a hundred, and it was not enough to describe Lin Ziming as a lunatic.

"Okay, very good, this Lin Ziming gave me a big surprise, very good." The princess smiled and said, her eyes flowing like water, shining brightly, looking particularly charming, but It's not elegant and majestic.

Lin Ziming swallowed a hundred fruits...

In fact, he himself didn't know that he had swallowed so much. Anyway, after he started to swallow it, he kept rushing forward and swallowing it all the time. He didn't even count it. For him, it was already a gamble. Up.

Until now, he can no longer move, and the whole person is like a balloon, lying on the ground.

At the same time, in his mind, the sound of booming explosions continued throughout his body.

Moreover, this kind of explosion only lasted for two seconds, and then it increased in scale. First of all, it was directly exploded on his palm!

He felt that it was in his body, as if he had swallowed a hundred nuclear bombs, and now in his body, nuclear fusion explosions were continuously carried out.

The palm of his hand was exploded, and the severe pain occupied his whole body.

But, this is just the beginning, and then there is another slap of his, his legs, his waist, his chest, his neck...

Bang bang bang...

On his body, it seemed that there was a continuous explosion of firecrackers, which made him blown into flesh and blood.

But soon after the explosion, the flesh and blood began to squirm violently at the wound, and within a short period of time, it recovered intact, as if there was no injury.

Moreover, the place where it was restored, the aura became stronger, and the flesh and blood became more tenacious!

In that way, it seems to be reborn and transformed...
